SIX LITTLE STORIES:

{1}

Once all villagers decided to pray for rain.
On the day of prayer all the people gathered,
but only one boy came with an umbrella.

That's FAITH.

{2}

When you throw babies in the air,
they laugh because they know you will catch them.

That's TRUST.

{3}

Every night we go to bed
without any assurance of being alive the next
morning,
but still we set the alarms to wake up.

That's HOPE.

{4}

We plan big things for tomorrow
in spite of zero knowledge of the future.

That's CONFIDENCE.

{5}

We see the world suffering,
but still we get married and have children.

That's LOVE.

{6}

On an old man's shirt was written a sentence
'I am not 80 years old;
I am sweet 16 with 64 years of experience.'

That's ATTITUDE.

Live your life like the six stories.

The Kuzzins need your help. We have one appointed position to the board to fill in the upcoming term starting in April: Historian. We have scrapbooks that need to be maintained to record the legacy of the Kissin' Kuzzins. Your creative talents would be greatly appreciated. If you would like to volunteer or if you have questions, please contact the current Historian (Mike Patrick) or Madam President (Martha Hernandez). Help keep the story alive for future Kuzzins.

Our Cuer, JL Pelton, is now using an FM transmitter that will allow our dancers to hear the calls and cues more clearly. We know of at least two Kuzzins who currently use Assisted Listening Devices: Fred Bolanz and Mike Patrick. I find it useful in large halls that don't have great sound. The sound waves tend to bounce off things like walls and irregular ceilings. Talk to someone who already has a receiver or our cuer, JL. Also, you can go to our website, click on the links page and go to one potential source for the receiver. You will also need to purchase an earpiece (over the ear or in the ear). Good listening and more enjoyable dancing!

Bullwinkle's Korner....

Who can believe we have had Thanksgiving, Christmas, New Year's, January and maybe 5 days of cold weather! Seriously, this is Texas! Who knows what February has in store for us! After, not dancing much for a couple of months, our visitations have started again in earnest! Last weekend was a good example. Our club went to Stone Steppers and Denton Triangle Squares! I think a fun time was had by all attending. Tonight, we have a group headed to Plus 4's to work on those skills! We will let you know about visits for later in the month next week.

Ladies, remember the monthly ladies luncheon on the 2nd Friday of the month. This month we will meet at the Olive Garden on Bush at 11:30. Please let Wyn EL know if you will be able to attend so that she can get us a table large enough.

Thanks to the nominating committee that met and came up with a very good slate of officers for this coming year to serve the club. Many thanks to those that said YES when called and asked to serve. The election will be after our anniversary dance at a very quick meeting. I question the couple in the President slot, but they will do their best.

Donna Bolanz and her group of planners are on top of our anniversary dance. It is going to be a BLAST! Don't forget that will be March 17th. You will be asked to sign up for dishes to bring and cash to contribute...as always, the club will come through!

The end of the month several of our couples are headed to sea to dance and play on a cruise. If you are in town for the first dance in March, please try to make the dance.

We have two new couples that you all need to meet. Keith & Liz Thomas along with Marian & Duane Kaiser have joined the club and we are honored to add them to the roll.

Please continue to pray for our sick and injured. This club has some remarkable members... E & M

Happy Valentine's Day

*The following story was sent to me
via e-mail from a Kissin' Kuzzin.*

Years of Marriage.....

40 years of marriage.... A married couple in their early 60s is celebrating their 49th wedding anniversary in a quiet, romantic little restaurant. Suddenly, a fine yet beautiful fairy appeared on their table. She said, "For being such an exemplary married couple and for loving each other for all this time, I will grant you each a wish." The wife answered, "Oh, I want to travel around the world with my darling husband." The Fairy waved her magic wand and – poof! – two tickets

for the Queen Mary II appeared in her hands. The husband thought for a moment: "Well, this is all very romantic, but an opportunity like this will never come again. I'm sorry my love, but my wish is to have a wife 30 years younger than me." The wife and the fairy were deeply disappointed, but a wish is a wish! So the fairy waved her magic wand and poof!...The husband became 92 years old.

The moral of this story: Men who are ungrateful should remember fairies are female.
