CARES AND CONCERNS

- ◇ Brenda Merriman will begin therapy on her right shoulder 2 days a week for 6 weeks. The doctors believe this will help her shoulder improve and gain strength.
- ◇ Nippy McManus had her 4th and last chemo treatment last week and is feeling good. The doctors will watch her counts in the future.
- ◇ Jerry Rounds continues to feel good after his procedure. The doctor will retest in 4 months.

Reported by Kimberly Brow. Please call Kimberly at 214-236-1294 to share your cares and concerns.

Fly our Flag on July 4th –

President's Ponderings

We have reached our first milestone as your Board, the first quarter. As noted at the meeting, we have increased our visitation and met some moderate success in the banner game (retrieved all our banners and captured two). Nominally we have 9 couples who visit with us, averaging 5 couples per outing. Thanks to previous efforts of the Bellows and Pedimans during their administrations, we have completed the Nortex club visit requirement for our first two groups of 20 and have begun work on our 60 visit patch. The only downside is that we have not given our banners to visiting clubs, but they will come because we visit them.

We thank Martha and Ernest Hernandez for filling in this quarter while we were away at two weekend festivals in Fredericksburg and Waco. We also thank Martha for stepping up to chair our 43rd anniversary dance next March, along with Quida Bellows who offered to help Martha plan the event. We know they will do a fine job!

We are happy that John and Shirley Currie are able to devote more time to the Kuzzins, having completed their term with Nortex, both as Presidents Pro Tem and Vice Presidents for our area. We welcome Steve and Marti

Matz as our new Nortex VPs and look forward to seeing them at our dances. As you are aware, John and Shirley are serving as our Marketing Coordinators and also our Lessons Chair. They have challenged each member couple in the club to identify at least 5 potential students to provide them a base of 150 contacts from which to recruit new dancers. They are providing recruiting materials and are seeking your ideas and your support: We need to make this "Job 1" this quarter. Talk it up with your friends, your neighbors, shopping buddies, bridge clubs, tennis clubs, golfing buddies, church groups, etc. Collect materials on your smart phones, and include them in your social media postings; there are an abundant number of short video clips on YouTube and Flickr; be prepared to link folks to KissinKuzzins.org! We will be actively posting materials and events to help you. We especially challenge the 11 couples going to Red River to brainstorm the task around the game table or dinner table. We pray that they will travel safely and return with renewed enthusiasm and energy.

Red River outing is just around the corner and I hope to be able to download some photos for the August Newsletter.
