## Bullwinkle's Korner

Howdy Kuzzin's

Happy November, mercy where did September and October go. It seems time zooms past so quickly. I hope that those who attended Round Up had a fun time. I heard that the New Dancer Dance and the Ole Time Calls dance were both fun. We wish we had been able to attend that part of the weekend. Very glad so many from our lessons were able to come. To us the best part is Sunday morning when the pace is slower and we dance to gospel songs. But I am still not allowed to sing along even if I know the words.

This is the time of the year that so many get busy with family and friends coming and going.

Thanksgiving will be here before you know it and Black Friday shopping, if you do that. I try to stay away from stores on that day. However, who needs stores when we have Amazon a click away. I added up what I spent at Amazon a while back. Good thing Martha is poor in math.

Our lessons are progressing right along. Guess what we still need?? Angels!!! You know, those nice people who come and help our new dancers learn how to

dance. The last set of lessons I messed up as much or more than the students. If that keeps up I may be forced to pay for lessons. Those new dancers also see how much we enjoy our club and how much fun we have. Roger Lachance has something new for our students during these lessons. The "Fun Dance" will be November 7th. Come and be an angel and be part of that fun event.

Please continue to pray for our sick and injured members. Also continue to pray for our country and leaders and our military/first responders. This club has some of the most caring people in the world. Don't forget the ladies luncheon on the second Friday of the month. It is a fun time. Good food and great fellowship. Our next board meeting is November 12th. The next club quarterly meeting is December 1st.

You probably received an email from Kimberly about the Christmas Party. Be sure to put that event on your calendar and get your money to the Patrick's. The party is December 2nd. We don't have a New Year's Eve party planned at this time. If you have an idea, speak up!!

If you have a suggestion for a visitation on the weekend of the 10th, please speak up again! No visit is planned at this point. Where would you like to go?? (Ed. Note: JL and Wayne will be handling the dancing at the Swinging Stars).

One thing more: for 5 weeks starting the first Tuesday in Feb. we will have **plus lessons**. The cost will be \$40 per person. I have sent invites to the clubs closest in distance to us asking if they would like to join in these lessons. I think this will be the 4th time for Ernie and myself!! So, give it some thought and let Roger or us know by mid November. The weekly repetition will be good!! Also, if you personally know people from other clubs, encourage them to join us.

Any Lessons?

At the bottom of the home page, you will find buttons showing planned mainstream, plus, or round lessons. Have fun while continually improving your dancing skills or acquiring new ones.

*Mike Patrick*

Hope to dance with you soon!! Ernest & Martha Hernandez

## KUER's KORNER - From the Peltons

### Cueing Schedule

JL will be cuing at Swinging Stars the second Friday in November, which is November 10, with Wayne Baldwin. Hope to see many of the Kuzzins there.

### Saturday Lessons

At the end of the first month of lessons, the class was able to dance Islands in the Stream Rumba to cues. That ability is what we strive for in class -- for the dancers to be able to know the figures well enough that they are able to dance a dance to the cues even though they have never heard the dance. In the last two weeks of October the class has been working on Cha Cha which builds on the Rumba skills refreshed in September. Dances worked on included Love is Strange and Chattanooga Cha Cha with additional teaching on these figures: Chase Full Turn and the Switch Family (Switch Cross and Switch Rock). We were dark the weekend of the Nortex Roundup. We hope everyone got a chance to practice some of their newly refreshed skills.

Finally, a quick update on Kristi, Linda's daughter. She is doing well and is working with a low-vision specialist so might be able to feel comfortable driving before long. She is scheduled for surgery on November 10th so Linda will again be out in California for a week. She will be back in town for the Kuzzins mid-November dance.

## KALLER's KORNER

Our Texas Hall of Fame caller Wayne Baldwin calls regularly for both the Kissin' Kuzzins and Swinging Stars. So most of your Friday nights can include dancing to his pleasing calls, like "Spin the top; that's what I said", and "Square three through, 'cause I told you to
