

Isaiah 58:10... "Feed the hungry, and help those in trouble. Then your light will shine out from the darkness, and the darkness around you will be as bright as noon."

Summer Child Nutrition Programs

Twenty-two million children receive free or reduced-cost lunches during the school year, but during the summer months, only 3.76 million continue to have access to those subsidized meals. That's where the Summer Feeding Program steps in. In 2018, the Feeding America network served 10 million meals to nearly 269,500 children in partnership with the USDA and the Summer Food Service Program. Summer should be about fun, not worrying about the next meal.

SAVE THE DATE: May 18th, 10-1 FEED OUR LOCAL HUNGRY CHILDREN!

- ❖ On Saturday, May 18th from 10a-1p in the Dallas Christian College Gym, Cornerstone members have the opportunity to partner with Generosity Feeds to feed 11,000 packed meals to Carrollton/Farmers Branch students. Metro Crest Services has ascertained there are more than 400 students that don't know where their next meal will come from in Carrollton/Farmers Branch alone. These meals will be distributed through the school districts.
- ❖ Save 3 hours from 10-1 on May 18 and be a "light" for the Lord! We have the commitment for 15-20 table captains to lead the groups of 10 at each table. We need volunteers for the tables...come and build a future for families in the community.
