## **Presidents' Corner**

Hello Kuzzins,

In our last newsletter, we told you that March was blowing in a busy April. Boy were we wrong! We had so many plans with a full calendar. That has all changed in the blink of an eye and our calendars are now empty. We never have lived through anything like this before but are so thankful that we and our families are healthy. As far as we know, all the Kuzzins are doing well and healthy. We have talked to most via phone or text and all have reported doing good.

Normally we would put in our newsletter reminders of upcoming events for square dancing. This month we have a different focus. We want to remind ourselves how much we do have to be thankful. We have a roof over our heads and food in our belly. Terri is actually learning to cook again much to her despair. We are thankful for our health and the ability to enjoy our down time. We haven't even killed each other, yet. 😊 We have gotten some of our projects completed that

we have put off for so long with more to come. We miss our kids and grandkids, but thankful for technology to be able to see them on Face Time and Marco Polo. We are missing our friends and square dancing, but thankful God has placed both in our lives to miss. We are thankful that we had a spectacular Anniversary Dance but also thankful it was before the world went crazy. Most of all we are thankful for Jesus, knowing the end of the story.

Stay in shape. As soon as we get the green light, we will be sending information on dances.

Don't forget to turn in your Sr. Center Waivers and Dues, if you haven't done so already. Thanks.

We love you all and please let us know if you need anything.

God's Blessing.

Jerry and Terri

## Kuzzins' Food Corner

### Dancing Queens

We are going to “Eat in Place” located at your “Shelter in Place” location.  
April 10, Time 11:30, as usual.

At about 11:45 when we would normally be giving our orders we will read out loud Psalm 100.

At about 11:50 “While washing your hands for 20 seconds”,  
Sing Happy Birthday to:

Quida 4/18

Joanne 4/27

As you pray for your lunch, please remember to include all of the government officials who are making decisions, the first responders, all of our family (physical, spiritual and square dancers), and for all of the lost that they would not only be healed but come to know Jesus as their Lord and Savior.

Eat your delicious lunch. Who makes any other kind?

Take a minute to call one or two of the ladies you would normally talk with at the luncheon. They don't need to be long calls. Just an encouragement to brighten their day.
