# Happy New Year!

## Presidents' Corner

Happy New Year Kuzzins,

We held two wonderful dances in December led by our own Mike Bramlett on the 6th and guest caller

K O Jeans on the 20th. Thanks again to our dedicated Kuzzins for providing great food for our guests.

Now on to 2020!

We are so excited to have 9 new members that will join us into the new year.

We have our New Dancer Dance on January 3rd.

The club will visit the Swinging Stars in January in order to retrieve our banner yet again. They always come to our dances with big numbers and we are grateful for their support.

February will be a busy month as we begin to focus planning toward our February 29 anniversary dance (47th) at Swing Time in Ft. Worth. Please make plans to attend our biggest event of the year!

Finally, our Quarterly Business meeting will be held after the dance on January 17th.

Gods Blessings and keep dancing!

Jerry and Terri

# Lessons Lessons Lessons!

## Beginning Bolero Lessons -- starts Saturday January 11

Linda and JL are going to be teaching a beginning Bolero class starting on Saturdays in January. This class is a great class to start a round dance journey if you have never danced rounds or a great class to expand your beginning dancing repertoire. Bolero is a slow Latin rhythm very similar to Rumba. Latins are always just a bit easier as they have a looser dance hold position. Bolero also begins with a slow side step -- translation, you've got time to think as you take the side step, about what to do for step two.

Class is from 11:15 a.m. to 1:15 p.m. at Carpenter Recreation Center, 6701 Coit Road in Plano. The later start gives you plenty of time to have a leisurely breakfast and the ending time still gives you plenty of time for the rest of your Saturday activities. Registration opens December 9. You can call Carpenter at 972-208-8087 to register after registration opens. Don't think too long and miss the class. The last time Linda and JL taught beginning Bolero was two years ago. Taking a class with Linda and JL is always a lot of fun, so don't miss out!

## **Can't Find Your Promenade?**

Now where did I put that Promenade? I'm sure you've never asked yourself that question, but I have. Luckily, we can all now get the Promenade from the NORTEX website. Just go to this link, <http://nortex.info/>. That will take you to the home page. On the menu bar, you will find "Online Promenade". It will drop down a list of the latest Promenades. Just click on the month you want and VOILA! No worries if you are on the road.

You can access it from your smartphone. You'll just have to enlarge portions to make it easier to read. If you have any questions, please contact Mike Patrick at [webmaster@kissinkuzzins.org](mailto:webmaster@kissinkuzzins.org).
