## **Bullwinkle's Korner**

What an honor to be the Presidents of the club for another year. We will work hard to prevent you thinking that was a mistake. We love this club and its members and are excited about the adventures of this year. We want to thank the outgoing board for their help and support during this last year and at the same time thank the incoming board for the help and support that we know they will give. It takes us all to have such a great club.

It seems March zoomed by so quickly. We had a wonderful time sharing time and making memories on the cruise with many of you. I would have preferred not to come home and promptly get the flu, followed by pink eye...but such is life. It has hampered our dancing some, but we are so bad (at times) that it is barely noticeable. We are almost back to normal; just need a little more endurance.

Our Anniversary Dance---The Barney Blast was a great success. Many thanks to the chairman, Donna and Fred, and her committee of tremendous helpers, who made the dance, come together. They made it seem so easy! I believe every Kuzzin played a part to help, that was great. It was wonderful to have some of our Emeritus members manning tables. Total attendance was 154! The next anniversary is on the calendar for March 2, 2018!! As is said, save the date!!

After our anniversary the club planned three visits to other clubs. As of now, we have picked up two banners: Stone Steppers and Cotton Pickin' Squares. The third visit is Friday, March 31. We hope to get the Swinging Star Banner that night and bring ours home.

We totally understand that some enjoy visiting more than others. We totally understand it is much harder for some to visit than it is others. If you don't go on visits often and are able, please give it a try. We really have fun when we have a large group visit another club. They can tell we enjoy being together and like one another. Hopefully, that encourages them to want to come visit our club! Watch for emails concerning April visits. We want others to come visit the Kissin' Kuzzins!

Please continue to remember our ill and injured in your prayers. What an incredible group of people have come together to form this club!

## Kruisin' with the Kuzzins.

22 Kuzzins and 73 friends from the Metroplex and Oklahoma cruised the Eastern Caribbean on the Carnival Breeze and enjoyed dancing to the calling of Ray and Linda Savell, Bobby and Dalaina Willis, and Jim and De-De Howard.

But not just dancing! Kim and Carol were thrilled by the parasailing in Key West while the rest of us did some sightseeing and shopping; many Kuzzins took advantage of the snorkeling opportunity in Freeport, enjoying ship entertainment, playing bingo (sadly, no winners among us), dancing in King George Plaza in Nassau, and more.

A highlight was attending the Tim McGraw concert (see picture of ladies dressed for the occasion). We had fun getting to know things about each other we had never known before (you had to have been there!!)

Many of us participated in several trivia games and two Kuzzins won the coveted "Ship on a Stick" trophy: Carol Hooks, winner of the "Name that Beatle Tune" trivia contest and Joanne Patrick - winner of the "Dr. Seuss Trivia" contest.

Besides square dancing, traveling is our favorite hobby. Can't wait to do it again ! See more pictures at <http://www.kissinkuzzins.org/2017-square-dance-cruise-to-bahamas.html>
