Dearest Kissin' Kuzzins
Words can not express how much you all mean to my parents. Your thoughtful flowers were beautiful and cheery! Thank you so much for providing breakfast and lunch for us on Saturday. It truly was a light on a dark day!
Love, Jerry McGrew and Family
P.S. - Thank you for setting up everything as well. My Mom truly loved dancing with you all... such an important part of their lives!

Bullwinkle's Korner

Here we are ready for our April showers, seems like we have had several in March. The trees are getting their new leaves and flowers are popping out. A most beautiful time of the year!

Today, mostly all I can think about was our Anniversary Dance last night! What a wonderfully fun time! We greatly thank Terri Johnson for her leadership for this dance and for all the Kuzzins' who helped and helped and helped! It was truly a group effort.

As best as I can count we had 17 clubs visit last night!! What a large group came to help us celebrate this grand club! Paul Cote was a great caller and with Wayne with him we had a wonderful team. JL did his usual great job on the rounds. I think I heard him say he even did some Plus Rounds. That's great. We are left with one lonely banner that was not retrieved! We gave out four of our new banners that will not lose their letters! I encourage you all to go to the NORTEX website and look at the photos. They are under Charles Wolfe. He took hundreds of pictures. You will enjoy looking at them. Now, we will get ready to go and visit and retrieve those banners back. Watch for your emails from Carol telling you what is coming on the horizon. We will dance the Spring away!

Our new officer's begin their terms now. We are looking forward to another great year for the Kissin' Kuzzins...the best square dance club by far! If you are asked to help, please say yes if at all possible.

Please continue those prayers for our ill and injured. Also, for our nation that it can be a light to the world.

Our Texas Hall of Fame caller Wayne Baldwin calls regularly for both the Kissin' Kuzzins and Swinging Stars. As a reminder, Wayne conducts a workshop at 7:30 p.m. at the second dance each month. Wayne will be focusing on Basic and Mainstream calls to help our New Dancers to have extra floor time.

Where is the Promenade?

NORTEX recently made the Promenade available on their website. There is a link on their home page entitled "Online Promenade". You can just click on it.

However, you can also find a link on our website. Just let your mouse cursor hover over the "more..." on the top menu. Then bring your cursor down and select (left mouse button) on Links. You will find a page with some (hopefully) useful links including the NORTEX Online Promenade page.
