Bullwinkle's Korner....

Many thanks for giving us the opportunity to serve as President & Mrs. President of the Kissin' Kuzzins Club. We will try our best to help the club continue in the forward direction that Howard and Glenda pointed us toward. We thank them for their leadership this past year and for their continued help to us as we begin our year. We also thank the board that is serving with us; we are all dedicated to making this be a good year. Let's all continue to make our club a welcoming place to visit and a fun place to dance. We would ask our seasoned dancers to encourage the newer dancers by forming squares with them. We all remember that new dancer feeling....it's hard, especially when we are on a visit to another club. Speaking of visits, we are doing well, let's continue. Summer is around the corner and many will be out of town now and then. Keeping this in mind, please try to put a visit or two a month in your schedule. We are lucky to have a superb cuer and caller; however, it's good to experience others also. We all know to have visitors, we must visit. It's exciting to bring back the banners for our wall! Our scheduled visitations at this point are: April 9th to Dixie Chainers to their 54th Annual Luau Dance and April 22nd to Stone Steppers 58th Anniversary Dance. We also have a couple of dances of interest that we will list later. Once again, thanks for this opportunity and let's get ready to circle to the left!!! Ernest and Martha
