Mainstream Lessons – August 30 – December 20

Fish Fry – September 11th

September 16th – Double Deal Dance

Square Dance Cruise – February, 26, 2017- March 5, 2017

Some of Murphy's Real laws: 1.) Everyone has a photographic memory, some just don't have film. 2.) A day without sunshine is like, well, night. 3.) When the chips are down the buffalo is empty. 4.) Nothing is foolproof to sufficiently talented fool. 5.) The 50-50-90 rule: Anytime you have a 50-50 chance of getting something right, there is a 90% probability you'll get it wrong 6.) If the shoe fits, get another one just like it. 7.) The things that come to those that wait are probably things left by those who got there first. 8.) The shin bone is a device for finding furniture. 9.) Everybody lies, but it doesn't matter since nobody listens. 10.) When you go to court, you are putting yourself in the hands of 12 people who weren't smart enough to get out of jury duty.

Remember the NORTEX tickets you agreed to sell for \$1.00 each - the club getting back 50 cents; NORTEX getting 50 cents? It's time to hand in the stubs and money. Our President Ernest, will be accepting the stubs and money. He will get the money to NORTEX; get our share of the proceeds; and turn in the stubs for the drawing for the 7 nights Caribbean Cruise for 2 with a Balcony Stateroom and Pre-Paid Gratuities aboard the Carnival Breeze- February 26 - March 5, 2017. Wishing us all luck in selling the winning ticket.

Bullwinkle's Korner....

This summertime warmth has turned into a hot oven!! We attended some fun dances in July. The Round-Up Kick Off Dance was a fun time and the air was working well at Swingtime! That is really important in this heat. Then we took 15 dancers to the Rebel Rouser Anniversary, one short of receiving their banner. The Stone Steppers paid us a nice visit!! We were thankful for that. Then on the 29th the Dodson went with us to the Texas Reeler Anniversary Dance. They were a most welcoming group and we had a great time. We look forward to having a Friendship dance with them on November 4th. Many or most of our club members are in the cool mountains of Red River, NM. We "poor" folks are here sweating away. Hope all are having an awesome time and get back safe and sound.

I say August. You say _____?? Lessons!!! That is what all of us should be thinking about. We want and need to have a good class of folks that want to learn to square dance and join in our fun adventures!! August 30th is our first lesson! Ray Savell is the instructor. We have been meeting new dancers at many visitations recently. There are people who still want to learn. Our last class made news around our area, we can do it again. They are now bringing in their friends!! I don't think we can have too many students.

Hope we have a respectable showing at our first dance this month. With so many out of town or just returning, it's hard to know what to expect. Our first August visit will be the night after our dance night on August 6th, the Solitaires will be having their Anniversary at our regular dance hall. The Garland Senior Center, Grand March 7:45. Please try to come, even if you your River Red tired!! Both of these events are casual dress. ☺

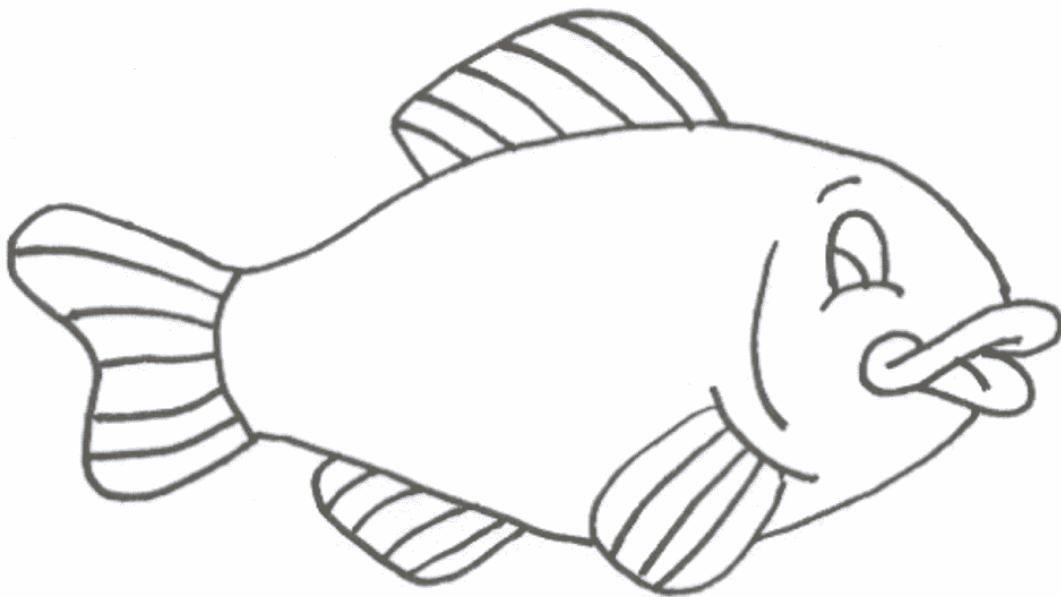

KISSIN Kuzzins - SAVE THIS DATE - SUNDAY, SEPTEMBER 11, 5:30 TO ?
981 Timber Lane, Fairview, TX 75069

You are invited to a fishfry (all croppie) at our house on this date. There will be plenty of fish and great fixins fun and fellowship. You can bring your games and also your swim suit or cutoffs if you want to earn a square duck dangle by square dancing in our pool.

We ask that each couple bring one and only one dish. Signing up on our food list will let us know how many to plan for. We will bring our food list to the August dances and the first dance in September. We will put it online September 1st so signup can be made by phone or e-mail.

Also, if you have prospective students (the second lesson would be past) you may invite them. They would be special guests and should not be asked to bring a dish. However, be sure to let us know so we can have an accurate count.

Wayne and Jodie Baldwin

Name this fish and give this fish some (lots) of color and bring it to the fish fry. We will display the fishes in a unique setting. Have fun, this is not a contest, just some plan old fun. I hope I get a better response then I did with Waldo! Don't forget to put your name by your fish. You can make it bigger or smaller. No Rules!!
