### President's Ponderings

We want to say thank you Kuzzins for your support and approval of the amendment to our by-laws to allow individuals to be accepted into membership. We hope that the approval of the amendment will help our club move forward in the coming years. The updated membership application and by-laws are now posted on our website.

We look forward to the month of December which is filled with many dancing activities to share with our student dancers, starting with our New Dancer Dance (NDD), the NORTEX USO special, the Swinging Stars NDD, then continuing with the graduation of our current group of students, our Christmas Party, our Dance and Quarterly Meeting, Christmas, and (finally - whew!!) our New Years Eve Party.

We are pleased to welcome back some of our recovering members (Betty Hoffman and David Worden returned to the dance floor on Nov 20). Ps 46:1 reminds us that "God is our refuge and strength, a very present help in trouble." Pray for God's healing for Deegee Bailey, David Borg, Brenda Merriman, Ginny Holcomb, George Nelson, Jerry Rounds, Ken and Carolyn Smith, and Glenda Stewart.

Have a blessed Christmas: After all, it is the birthday of a King.

Glenda and Howard Hess

**A Christmas Wish:**     When holly wreaths are hanging upon each friendly door  
                                 And candles glow from windows and trees are trimmed once more,  
                                 It's pleasant to be sending this special wish to you  
                                 For all the season's happiness in everything you do.
