Presidential Address

To each of you – a very **Happy New Year!** It is amazing how fast 2011 went by – and what a lot of changes for the Kuzzins! We had some sad times...we suffered the loss of our dear friend and caller, Nelson Watkins. Some of our club members experienced illnesses and surgeries. Then there were the happy times – our dancers and after parties, the Mystery Bus Trip, picnic, Christmas and New Year's parties. One of our blessings this year was to have Wayne Baldwin accept the invitation to be our caller. And his wife Jodie, is a wonderful asset to our club. How thankful we are to God for the healing of bodies and hearts!

The New Year will start off with square dance lessons beginning Tuesday, January 10th. There has already been a lot of advertising and recruiting for students. We have some people already committed but we need more to make it a success. Please continue to promote the lessons with anyone you think might be interested. Remember that we will begin the first night with a free chili supper, and the first two lessons are free. We also need all of you that can to help as angels. There are some single students who will be coming and they will need a partner for lessons. They will be introduced to a singles square dance club when they have completed the course.

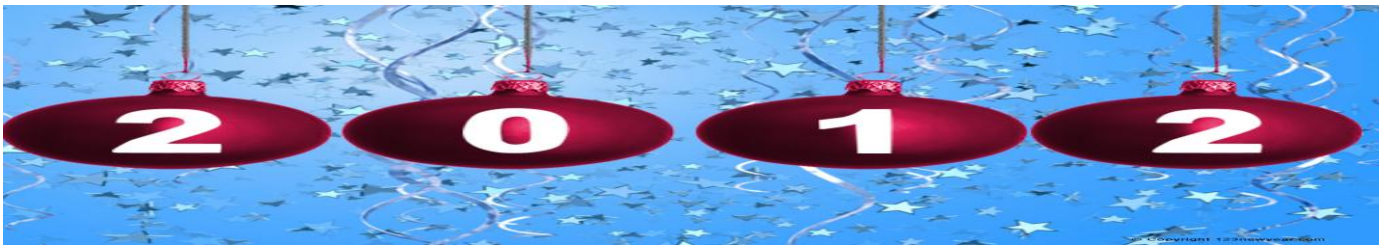

Friday, January 20th will be a special dance honoring the memory of Nelson Watkins. Wayne will use some of Nelson's recorded songs that evening. We will make Nortex aware of this dance so that other clubs can be invited to attend.

We are planning a St. Patrick's Day dance for March 16th and still need someone to chair this. If you would be interested in doing this, please contact me. The dance will be advertised in the Promenade – not an elaborate affair, but something fun that might attract some of the other clubs to visit us. And speaking of visits, we have two visits scheduled for the Kuzzins in January – the 21st to the Rebel Rousers, and the 27th to the Swinging Stars (their Anniversary dance_. Both of these clubs have our banner, so we need to have a good showing!

Let's live longer by dancing more!

What's Happin' Kuzzins !!!!!

Mike & Joanne Patrick have graciously decided to take the Kuzzins on the 2012 Mystery Bus Trip. They hope to have some plans set to tell us about later in the month. They haven't given a date yet but I've heard maybe April or May. They will let us know ASAP. As soon as these details are set they will start excepting down payments for the trip. I know we are excited and I'm sure the club will be too.

Please give a very big **Thank You** to the Lance & Sharon and their helpers for the wonderful Christmas Party at the Eastern Hills Country Club. The food was excellent and we will never forget all of Bill Dunn's jokes. Also thank you Kuzzins for the toys for Network. A lot of children were very happy on Christmas Day.

Let's not forget a big **Thank You** to Chris & Kimberly Brow and their helpers for the New Years party at Sicilano's A Taste of Italy. Bingo was a hit and the Black eyed peas were consumed by everyone with hopes that 2012 will be the best yet.

The Kuzzins are looking for someone to chair the St. Patrick's Day dance on March 16th. We want to keep things simple and no cost to the club. Just a few decorations and maybe the KP committee can serve something green and lucky. If you have a little free time to do this, please contact Hollis & Ken.

2012 New Years Resolutions

I will..

Check my work e-mail account at least once this year

Switch my username to "password" and my password to "username" to make each a lot harder for hackers to figure out

Stop buying worthless junk on EBay, because QVC has better specials

Start using Face book for something other than Farmville and stupid quizzes

Gain enough weight to get on The Biggest Loser.

Build biceps by increasing reps of Ding Dong curls to 3 sets of 15

Eat more fruit... snacks

Do less laundry and use more deodorant

Read the manual... just as soon as I can find it

Start buying lottery tickets at a luckier store

Remember to brush teeth with bristly end of toothbrush

Don't eat medicine just because it looks like candy

Always replace the gas nozzle before driving away from the pump

Always wear clean underwear, "just in case"

Cut down on exercise. Too much is bad for your health, it can even kill you

Drive more carefully, people are starting to notice the dozens of dents in my car

Treat my spouse better, I won't make them carry all the groceries the next time we go to the market

Never again take a sleeping pill and a laxative on the same night

Stop saying, " Ooh, that feels nice" whenever the security guys frisk me at airports

Not talk on my cell phone while in the bathroom doing - - -

Keep my opinions to myself (yeah, right)

Stop procrastinating ... (I think I just might start next month)

Stop leaving my dirty gym socks lying in the middle of the floor. I'll leave them on the kitchen table, where they're easier to reach
