Quotes from Phyllis Diller:

- The only time I ever enjoyed ironing was the day I accidentally got gin in the steam iron.
- You know you're old if your walker has an airbag.
- I want my children to have all the things I couldn't afford. Then I want to move in with them.

Here we are, 2017!

The years seem to come faster and faster to us. I believe that comes with age which we are thankful to achieve. What a great square dance club we all are a part of...The Kissin' Kuzzins. That is because it is made up of an outstanding group of kind and loving dancers who come together for a hobby they all enjoy and form friendships and love for one another. When we have members who are ailing, the club cares. When we have joys, the club rejoices. It's just an amazing group!! On that topic, we thank you all for praying and checking on Ernie and his bite wound so faithfully. It seems to be doing great, just needs to get in the program of being used. Since 1975 he has been bitten several times, this was one of the worst. Get ready to get your dancing shoes

Looking Back:

Great Christmas and New Years Eve parties were celebrated with many of our Kuzzins'. This reporter only took pictures of the New Years Eve party. Want more pictures, visit our web site. Our Web Master, Mike Patrick, continues to be fantastic with updating our web site.

A great big THANK YOU goes out to Chris and Kimberly Brow for all the work they did setting up the Christmas and New Year's Eve parties. So sorry they missed the New Year's Eve party.

A big apology to Jerry and Terri Johnson; I didn't get a picture of them at the New Year's Eve party. How could I miss getting a picture of this great couple?
