Plus Lessons

The classroom is open on Tuesday evenings from 7-9 for Plus lessons. Ray Savell will be teaching. The cost is \$40 per person (every student must have a partner) and the plan is to begin on February 6 and continue through March 6. This is an aggressive schedule but we can do this. The only prerequisite is that you are an accomplished Basic and Mainstream dancer (there isn't time to review any of those calls). We are looking for at least three squares. Contact Roger Lachance 214-849-1966.

Bullwinkle's Korner

Here we are, January 2018!! Good things are happening with the Kissin' Kuzzin's!! We welcome our new members and are so thankful that they have decided to join our club. New dancers and new members, that's what keeps the Kuzzins an active club. It is time to make new friends in this New Year! Please don't be bashful about joining in the dances and the activities. Don't worry about messing up; nothing will help like time on the floor. We have all been in the new dancer shoes and are ready to help. For those with a few more steps under their belt, remember that we will begin our quick plus lessons beginning in Feb. Once again, then you will need to hit the floor with those new skills.

Our anniversary dance is just around the corner with Terri Johnson heading that effort. You will hear and see more about that soon, very soon from Terri.

Ernie is recovering from his knee surgery in a most delightful way. He has sat still more in the last three days than in the previous three years. He is not good at the rest and relax thing, but this is making him sit at least for a short time. Just minor surgery, but so many of you have called and checked on him and for that we are most grateful.

We are very blessed. Martha has been trying to pamper me like crazy. I almost feel guilty saying Martha get this and that. It is fun while it is lasting. However it will not last. Please remember all in our group that are ill and injured in your daily prayers.

This cold weather makes us forget we are in Texas. We will all try to remember what cold weather feels like next July. Hope that all are warm and cozy this holiday.

Who's on first? We all get forgetful sometimes, so you can find all the club officers on our website. At the top of the home page on the far right, you'll find "More". Click on that and a drop-down list will appear and "Club Officers" is towards the top. Click on it and you'll see pictures of all the officers with their positions and names. If you click on any of the pictures, you will start an e-mail to the person(s) serving in that position.
