Bullwinkle's Korner....

In the good ol' summertime.....it's very hot!! Don't know about you, but we are enjoying the casual wear this summer. We visited some fun dances in June. The very best must have been the Installation Dance, where we were named Club of the Year!! What a surprise and honor for our club. It is great to be President now. Martha and I can reap the glory of all prior Presidents' work, especially Pat Pediman and Howard Hess. The prior presidents along with the lessons chair people (Curries) and all our new members really make us look good. Their energy is revitalizing our club. We have visited clubs we've not been to in years. It is a great time to be a Kussin. We plan to continue their prior good work. Our July 1<sup>st</sup> Dance starts a full month of dancing and visits. The Round-Up Kick off dance is on Sunday, July 10<sup>th</sup> and that should be fun. July 16<sup>th</sup>, we are scheduled to visit the Rebel Rousers' Anniversary Dance, and then on July 29<sup>th</sup> we plan to visit the Texas Reelers for their Anniversary. This is the time so many Kuzzins take off for the mountains of Red River, so safe travels to all and Happy Fourth of July!

Yesterday, I had a flat tire on LBJ. So I eased my car over to the shoulder of the road, carefully got out of the car and opened the trunk.

I took out 2 cardboard men, unfolded them and stood them at the rear of my car facing oncoming traffic.

They looked so life like you wouldn't believe it! They were in trench coats exposing their nude bodies to the approaching drivers.

To my surprise, cars started slowing down looking at my lifelike men which made it safer for me to work at the side of the road. It wasn't long before a police officer pulled up behind me. He got out of his car and started walking toward me. "What's going on here," he asked. "My car has a flat tire," I said calmly.

Well, he asked, what are those obscene cardboard men doing by the road?

I couldn't believe that he didn't know - so I told him: Hellooo! Those are my Emergency Flashers!

Kissin' Kuzzins Flip Flop Dance  
June 17th

Stage area

Who would have thought our Flip Flop dance would really turn out with a true FLIP FLOP decor. Most of us thought Flip Flop meant foot wear in which no one probably would be able to dance. Surprise, Surprise, Surprise. The Food Committee Flip Flopped the dance hall. Spear headed by the Bolanz and many members of their "Kuzzin Gang." Food was placed where normally the caller and cuer would be and they were flipped down to the other end of the hall. The committee setup tables and chairs by the mirrored wall with food close by for convenience. This was a great idea and we all had lots of fun. Lots of thought, energy, Kuzzins, and good humor went into getting the hall decorated and put back in place; all of this on top of a quarterly meeting taking place after the dance.

This was a onetime good deal.

A view of the food area from way down by the stage.
