Volume XLVII No. 7

Presidents' Corner

Hello Kuzzins,

Hoping everyone is surviving the heat and the crazy times we are living in. We are missing everyone. Please keep in touch and let us know how you are doing. We will be leaving soon for the cool of Fun Valley, Colorado and Red River, New Mexico. Even though we will be miles away, we are only a phone call or email away. Yes, we will still be wearing masks and social distancing, but in cooler weather.

We had 11 people at our house dancing to Dave Vieira on our driveway. It was a lot of fun and surprisingly, we kept up and have not forgotten the calls. We missed the rest of the Kuzzin family. Pictures attached.

Just wanted to let you know, if you have not heard, Wayne Baldwin had a stroke. He is doing well and in rehab. Please keep him in your thoughts and prayers.

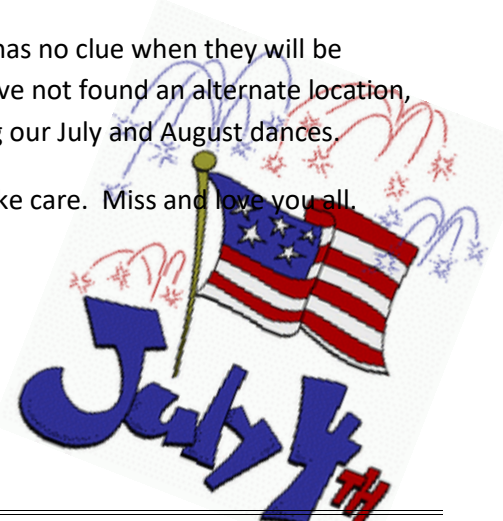

Please note the posting of the results of our club numbers as it relates to the Nortex survey. As you will see, there are many Kuzzins that are not comfortable to dance until the vaccine is available or at least the numbers come way down. Nortex survey results will be shared once we receive them. A request has been made for them to be provided.

The Senior Center has no clue when they will be opening and we have not found an alternate location, so we are canceling our July and August dances.

Everyone please take care. Miss and love you all.

God's Blessings.

Terri and Jerry

Dancing Queens

I am currently self-isolating. James always wears his mask when he is out and at work. However, James had a person at his work that they think has come down with the virus. He has not been in contact with the person. He does have to go in and out of the office occasionally during his shift. His work has not quarantined any one. They are having some deep cleaning done

Because I work mostly with family we decided that since I can work mostly from home, that I should go ahead and self-quarantine for the 14 days. They will be up on the Thursday before the regular luncheon date. I think that is to close for comfort.

If enough of you still want to get together, I do not mind setting something up for you. I just won't be in attendance this time. Unless I hear from many of you that you would still like to get together, I am considering the July luncheon cancelled.

Stay safe.

Have a blessed day.
