JUNE

Please be awesome.

Deegee Bailey has kindly offered to make the Kuzzins' some new banners. Ours are quite old and in not to good of shape. (Probably because they are always in other clubs hands.) She is only charging the club her expenses. Thank you so much Deegee.

Two squares of Kuzzins' danced for John & Shirley Curries neighborhood Bar-B-Que get-together on May the 18th. Wayne called for the two square and not only did the neighborhood feed the Kuzzins', but also donated a check to the club for their demonstration. What a nice jester. A big thank you, to John & Shirley's neighbors.

Round Up 2014 is not far away. Be sure to get your door prize tickets from Ken & Betty to sell for the Grand Prize Cruise Raffle. Remember we keep 50 cents for the club on everyone we sell.

News about our KK family and their family.

Keep Ken & Carolyn Smith in your heart while they are going though these difficult times again. Carolyn lost her mother after a hard fight. Davene Goodman's mother is at Willowbend.

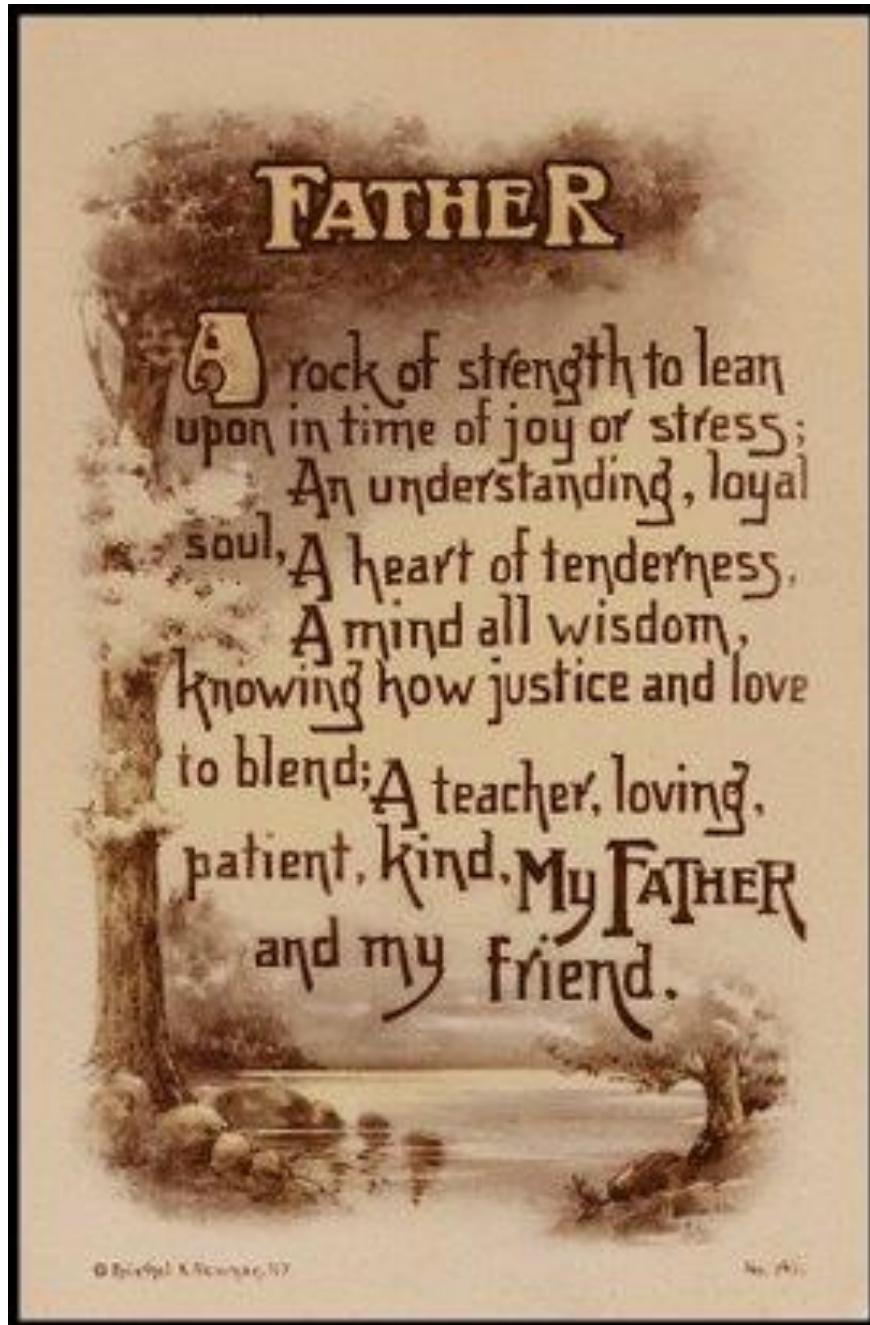

Maurice Crockrell was admitted to the Christian Care Center on Friday May 16. Therapy doesn't start until Monday. The doctors were thinking of about 20 days. I'm hoping it won't be that long. His appetite is improving so he should gain strength quickly. My thanks and his go out to everyone for keeping him in your thoughts and prayers.

Ken Smith went in for a colonoscopy and they found a small mass (about 1 inch in diameter) at the mouth of his large intestine. They did a biopsy and it is malignant and will have to be removed. He has been referred to an Oncologist at Downtown Baylor, however he has not been seen yet. They have done a PET scan and will need to send records before he is seen. He has also had a cough for some time and they did x-rays and said he has bronchitis, he is on an antibiotic and will have to finish that before more tests or treatment begins. Carolyn was optimistic and promised to keep us updated. Let us all continue our prayers for Ken and Carolyn.

Our prayers and thoughts go out to them all while they are getting through these trying times.

Jo Ellis is so proud of her youngest Grand Daughter. Amanda Hollingsworth recently graduated from UTA Dallas with honors with a Bachelors degree in Arts and Technology. She is the daughter of Karen & Mike Hallingsworth of Lucas, Texas. A really big pat on the back for Amanda, Jo, Karen and Mike. What an accomplishment for Amanda.

God bless our fathers and troops around the world.
