**President Ernest Hernandez is distributing tickets for the Round-up grand prize – 7 night Caribbean Cruise for 2 with a Balcony Stateroom and Pre-Paid Gratuities aboard the Carnival Breeze- February 26 – March 5, 2017. We sell the tickets for \$1.00 each – the club gets back 50 cents; NORTEX gets 50 cents. The more tickets we sell, the more money we make, plus the chance for someone to win a cruise. Come prepared to grab some tickets from Ernest and then sell, sell, sell – or buy, buy, buy!!**

**Note:** The NORTEX Installation of Officers and Dance is hosted by 6 Clubs. The Kissin' Kuzzins is one of the Host Clubs. Plan to attend this event. It will be held at Swingtime Center in Irving, so carpooling is a great way to go. Not only are we responsible to bring refreshments but we will also be greeting all who attend this event. So practice your best smile (you don't need to practice too much, you all have great smiles).

Rednecks have the lowest stress rate because they do not understand the seriousness of most medical terminology:

Medical Term	Redneck Definition
Artery	The study of paintings
Bacteria	Back door to cafeteria
Barium	What doctors do when patients die
Benign	What you be, after you be eight
Caesarean Section	A neighborhood in Rome
Cat scan	Searching for Kitty
Cauterize	Made eye contact with her
Colic	A sheep dog
Coma	A punctuation mark
Dilate	To live long
Enema	Not a friend
Fester	Quicker than someone else
Fibula	A small lie
Impotent	Distinguished, well known
Labor Pain	Getting hurt at work
Medical Staff	A Doctor's cane
Morbid	A higher offer
Nitrates	Rates of Pay for Working at Night, Normally more money than Days
Node	I knew it
Outpatient	A person who has fainted
Pelvis	Second cousin to Elvis
Post Operative	A letter carrier
Recovery Room	Place to do upholstery
Rectum	Nearly killed him
Secretion	Hiding something
Seizure	Roman Emperor
Tablet	A small table
Terminal Illness	Getting sick at the airport
Tu mor	One plus one more
Urine	Opposite of you're out

I received these definitions in an e-mail. I thought they were so very cute, and not meant to harm any redneck.

Hope your sense of humor is working and that you can enjoy a little laugh.

## Bullwinkle's Korner....

Can you believe that it is June? Summer is here! That means vacations, hot weather, cookouts and extra time with grandchildren. Oh, I almost forgot: A great time to square dance. It's a great time to jump in the car and dance with your club at the center and as we dance around the metroplex. In the last month, we have been to clubs that many of us had never visited before. We have two banners we've never had before. It was fun!! Many clubs are having casual dress, as are we through September. If casual dress is not for you, keep your square dance attire going all summer. Whatever way you wish to dress is acceptable. Just come and have fun.

We encourage all that are able to go to the Installation Dance at Swingtime, June 5<sup>th</sup>. Shirley & John Currie are the chairmen of this event and The Kissin' Kuzzins are one of the host clubs. That means we need people to come. Several have signed up to come and help, we could use more. We need to be there at 3:00. Please give this your consideration.

We also have door prize tickets that we need to sell for Round Up. Kimberly Brow is winning the selling race. We will have tickets at our home dances, ready for the taking and selling. They sell for \$1 and our club gets to keep half of that for our club. It's an easy way to build the treasury of the club. Take some, if you don't want to sell them, buy them all yourself!

We also have lessons beginning the end of August! Be talking to all that you are in contact! You never know who might be interested in learning and joining a great group of people. We want our club to thrive and grow!! It takes dedication from us all to keep us on the growing track!!

Come and join us in a circle, Ernest and Martha
