Volume XLVII No. 6

Presidents' Corner

Hello Square Dance Family,

We are missing everyone terribly. Cannot wait to see you. Will not be long.

As you have seen by our emails, we are working on alternative venues and new dancing criteria.

Thanks to everyone that has turned in a Nortex survey. If you have not done so, please do so ASAP. It is due to Debbie on June 5th.

Nortex is wanting mask pictures of square dancers. If you have one, please send to us and I will forward for you.

As you are aware we have cancelled the first dance in June (5th), but we are hoping things improve enough that we will be able to dance June 19th although it may be with some strict criteria and alternate location. Cross your fingers.

Normally the summer months would be filled with travel and fun dances. Disappointing as it may be, we are working to get things going again.

Hang in and stay well.

God's Blessings,

Jerry and Terri

Dancing Queens

I am getting ready to send the ladies an email to see if enough people are ready to venture out. Last month there were only 3 of us and Terri thinks she may be out of town.

The options I am going to offer are Darren's American Grill or Matt's Ranchero. Darren's has a glassed in room they use for reservations. It normally holds 12 comfortably. So I figure with the restrictions 6 or maybe 7. It is really more than one table. They are going to research to see what the restrictions would be so they can stay within the guidelines. Matt's has outdoor seating which some of the ladies thought would be better. They seat 6 to a table and will only take

reservations the day before.

To make a long story short, I am not sure if or where we will be getting together. As soon as I know, I will let you know.
Thanks, Brenda Gates
