Father's Day Celebration on June 21, 2015

Father's Day, a celebration honoring fathers and celebrating fatherhood, paternal bonds, and the influence of fathers in society. Fathers can be gentle with daughters and tough on sons. Tea parties with little girls and throwing the ball with little boys. Big gentle giants are the great men who help shape our families. May God Bless them ALL.

Children and grandparents are natural allies.

Rebel Rousers

The Kissin' Kuzzins need to visit more clubs with more couples to bring banners back to the club and to retrieve banners that may be out. Think about joining the couples who have been having fun visiting other clubs, making new friends, and getting and retrieving banners. This is YOUR club.

Fly our Flag on June 14th –

President's Ponderings: Thank you Kuzzins for your efforts regarding visitations. To date, we have had at least five couples attending each visit. We have gotten banners from the Dixie Chainers, Rockwall Squares, and Swinging Stars. This month we hope to get at least two squares at the Rebel Rouser's Anniversary dance. We hope you will plan ahead and be there!

We remind you that we have our first quarterly meeting this month. Key items on the agenda are the forthcoming lessons, preparation for Roundup and our own anniversary dance. We want to hear how you are doing in your quest for students. Let us know of your successes and what we can do to help you in the recruiting effort.

We hope that you know how fortunate we are to have Jerry Story as the featured caller at Roundup. We traveled to Fredericksburg to dance to Jerry Story this month; thanks to Ernest and Martha for handling the dance during our absence.

We are still looking for a couple to lead our anniversary dance team next March. It is time to start planning. We do have a commitment from Ray Savell to augment our staff at the dance.
