PRESIDENTS' CORNER

Hello fellow Kuzzins…..

Happy Valentine's Month to you all. Go with your sweetheart to dinner and a dance and make them feel super special!

January was a busy month!! We planned multiple visitations and had great participation. Thank you so much for supporting the club through visitation.. It paid off and at our last dance we had 24 visitors. It was wonderful. Just a reminder…. If you see a guest not able to get in a square and turn to sit back down, please allow them to take your place in a square. We want to ensure they have a good time! Please read the attached "Square Dance Etiquette" (attached). It's always good to be reminded.

Please try to visit the clubs on the visitation list as much as you can. It will help grow our club and you'll have fun in the process.

The Nominating committee met on January 30th. We will be calling to find a President and Vice President. Please prayerfully consider where you would like to serve the Kissin Kuzzins.

We love you guys and look forward to seeing you in a square soon.

Gods Blessings.

Square Dance Etiquette
By George & marge Jabbusch, Bradenton, Florida

"A guide for the newly graduated square dancer, and for that matter, those who have been dancing for a while!"

1. Arrive on time whenever possible.
2. Square up promptly when the music starts.
3. It is considered very bad manners to walk through the middle on one square to walk through the middle of one square to get to another.
4. It is equally bad to pass a square in need of a couple.
5. Never leave a square once you have joined it.
6. Introduce yourself to others in the square. You will not only acquire a reputation for being friendly, but you will meet many new and interesting friends.
7. Be gentle with the dancers in your square. Do not hold their hands too tightly.
8. At the end of the tip be sure to thank others in your square.
9. Friendliness is part of good manners. It will make other dancers anxious to dance with you again.
10. Be sure to bath or shower before attending. Men should wear long-sleeved shirts.
11. Do not drink alcoholic beverages just before attending.
12. Most of all be patient. Remember you were a beginner once.
