

A BIG THANK YOU to
Mike Bramlett for
workshopping us back
to confident dancing.

PRESIDENTS' CORNER

Hello Kuzzins,

The month of May has been two things: Wet and Active! Active because we finally returned to dancing! It was grand seeing everyone return to the floor! It appears after two "club only" dances the rust is off.

We will invite all our North Texas area friends to join us each 1st and 3rd Friday here forward.

We have a great lineup of callers in place through the end of the year. Mike and Bramlett and J L Pelton return as our permanent caller and cuer. We also have guest callers lined up for most 3rd Fridays. You'll find the complete list on our website www.kissinkuzzins.org.

Currently we are not providing refreshments, please bring your own water. As Covid risks and guidelines continue to evolve we will readdress.

Welcome back and hope to see you on the floor June 4 at our "We're Back Baby" dance.

God's Blessings,

Jerry and Terri

- Larry and Mary Long are proud of grandson Cole, who graduated from high school; he and girlfriend Angie are attending the University of Arkansas.
- Larry's also proud of his granddaughter who recently graduated from Texas A&M Commerce.

In Loving Memory

During 2020-2021 too many Kuzzins were called to Heaven. We remember the love and laughs we shared with them for so many years. They had such an impact on our lives, and we miss them.

..Until We Meet Again

Those special memories of you will always bring a smile
If only we could have you back for just a little while
Then we could laugh and dance again, just like in the old days.
You always meant so very much to us in, oh, so many ways.
Buy, you are no longer with us, and it causes pain
But you are forever in our hearts... until we meet again
