Frank Lopez is doing great and so is Edna (she has a smaller, Velcro type cast on her arm below the elbow). They moved Frank to Garland Baylor Rehab in room 361, but they feel he does not need company this week. He will be doing a lot of rehab.

Thanks again. Freda

17th Annual Mystery Bus Trip is set for March 21-24, 2013. We will leave the Garland Center on Thursday the 21st and return on Sunday the 24th. Sign up will begin Jan 1st. A deposit of \$350.00 per couple will be required to hold your seat. The final payment will be due by March 1st. At this time it looks like about \$850.00. This will cover **EVERYTHING**, bus, hotel, meals, and attractions. You need not spend any additional money unless you see something you just can not live without or want alcohol. We are excited about the trip and feel like everyone will have a wonderful time. More info will follow in Jan, Feb, & Mar.

Melba Withrow fell at home and broke her right shoulder, and is now in rehab therapy. The Doctors seem to think that she will be there another week or so. She seems to be good in spirits. We're praying that she recovers quickly. The Physical Therapy seems to be working well.

We are pleased to report that Mary Jane came home from Remington Medical Resort, and will begin outpatient rehab. We thank all of you for the many cards, calls and visits. They have been a big boost to her morale. Thanks again!

Winston Hoskins

The Kissin' Kuzzins have lost a very dear member of our club last month. Our very deepest sympathies go to John Goodrum and his family over the loss of Georgia. They have been a long time member of the Kuzzins and have had a great deal to do with the clubs success over the years. We will miss Georgia greatly. Keep John in your prayers during these difficult times.

Goodrum, Georgia Mae Goodrum, Georgia Mae (Tuft) was born on June 17, 1931, and passed away September 4, 2012. She was preceded in death by her son Brad Goodrum and by her parents George & Johnnie Mae Tuft. She is survived by her husband, John; her son, Brett; grandson, Zachary; granddaughters, Leah Goodrum and Lauren Barrett and husband, Tim; and great grandchildren children, McKinley and Bailey.

We had been scheduled to resume monthly game nights in September, but because scheduling conflicts we will not be able to have Game Night in September or October. We hope to resume on the second Saturday in November.

A little something from Nippy McManus:

Lincolns View of Politicians

When he was President, Abraham Lincoln once told this story---A King wanted to go on a hunting party, and consulted the court's minister to see if it was going to rain. The court minister assured him it would be a sunny day. When the royal party set out for the hunt, they met a farmer riding a jackass. The farmer warned the king not to make the journey because it was going to rain. The king laughed at the peasant and continued on his way, but soon a torrent of rains drenched the royal party. When the king returned to his castle, he fired the court minister and sent for the farmer. He asked the farmer how he knew it was going to rain when the sky was sunny and cloudless. "My jackass has a way of knowing these things," The farmer replied. "He puts one ear forward when it is going to rain." The king bought the jackass from the farmer with a chest full of gold, and appointed the jackass as his new court minister. Lincoln remarked that this was a great mistake on the king's part because "ever since that time, every jackass wants a public office."

.....The Joyful Noiseletter

Life may not be the party we hoped for, but while we are here we should dance.

Presidential Note-Out going Presidents

Dear Kuzzins,

I want to start by saying this has been a very exciting and enlightening year for Ken and I. We were new members when we were asked to serve as Vice President/President and not familiar with the many details that go into the makeup of a successful square dance club. We were patiently guided by the best Board you can have and encouraged and embraced by all of the members throughout our term in office and we thank you all so much! You have warmly welcomed us into a wonderful family of friends and it has been an honor to serve as an officer of the club.

Our pre-roundup, "Masquerade Ball" was great fun! Thanks to each of you for all the work that went into making it a success. We had 149 people at the dance, lots of wonderful food and our guests were very complimentary.

The Kuzzin' have been invited by Dos Banderas to participate with them in "Fall for Garland," October 6th. The festival has been well advertised and should be a big event for downtown Garland and an excellent way to promote our club and our upcoming lessons. Please note the date on your calendar and plan to take part. It sounds like a lot of fun.

Remember the annual picnic—October 13th, at Brady Cox's house. I hear it is always a great time and we both wish we could be there with you.

Thanks again for a super year. Our lives have been enriched by each and every one of you.

Blessings to you all,

Ken and Betty Hoffman
