#### **Cares and Concerns** – Please keep the following Kuzzins in your prayers:

- Melba Withrow is still in pain from her fall; she had another fall, but not as serious.
- Fred Withrow is experiencing breathing problems.
- Joanne Patrick, as she undergoes chemo treatment for breast cancer.

"Danny Boy". The Kuzzins said goodbye to another long time member and good friend, Danny Austin Roberts. Dan and Nelda were devoted, involved Kuzzins until Dan's health starting failing, but we saw him at Quarterly Meetings and special occasions when he was able. Dan was born in Arkansas 82 years ago. Nelda was converted to Razorback-ism by Dan, and they were enthusiastic fans. Dan retired from the UF Air Force as a Lieutenant Colonel, a proud server of his country. He served in many ways, lastly as Terminal Commander of Air Force One under Jimmy Carter.

While an Arkansas by birth, Dan became a 100% Rowlett booster. Rowlett was not always as it is toda, mainly because Dan decided many years ago to 'make it bee-utiful'.

A large family is left to mourn his passing and to celebrate his fine life. Most of all he leaves Nelda, who stood by his side and took such tender care of him in his illness. Say a prayer for her and the family as they adjust to life without Dan.

"Cheers to a new year and another chance for us to get it right."
