## Mark Your Calendars:

- **March 15 – St. Patrick and “Everything Green” Dance.**

- **March 21-24, 2013 Mystery Bus Trip.** It's getting closer and we are getting a little worried about the trip. We have 25 people at this time signed up and need at least 15 more to make this trip happen. We really think everybody will enjoy the trip and it is all inclusive so no other expenses will be needed unless you want alcohol with meals. The walking is not long or hard for anyone in fear of long hikes. Most of our evenings are relaxing, so we will not tire you out. Please help us get the other 15 so we can enjoy our trip and fellowship. Remember to get your deposit of \$300.00 paid; the total will be due on March 1st. At this time we will have a total. (The number of people will change the price of the bus.) We will give you all the info you need to know in the March newsletter. We are really looking forward to the trip and hope you will too.

The Kuzzins recently said goodbye to a lovely lady and good friend. Melba Withrow passed away just a few weeks after Fred. Newer Kuzzins didn't have the privilege of knowing the Withrow's, but we long-time members remember Fred and Melba's delightful personalities and Melba's style and grace. We know there's a heaven and believe it's a place where everyone is happy and free from pain; and we believe that Fred and Melba are finally able to get back into square dancing.
