Round Up 2014 is not far away. Be sure to get your door prize tickets from Ken & Betty to sell for the Grand Prize Cruise Raffle. Remember we keep 50 cents for the club on everyone we sell.

Joanne & Mike are back from their travels to find the a/c in their house when out while they were gone. They are camping at Lake Lavon while waiting for cool air at home again. They wanted to remind the Kuzzins' that the bus trip balances are due September 1. They need to make check out to KK with memo of 2014 MBT, but mail to us to:

Mike Patrick
2314 Forest Grove Estates Rd
Allen, TX 75002

After he posts to his records he will give it to Louis & Mary Wreidt.

Gene Newman's granddaughter Taylor Lazarine graduated from Texas A & M with a degree in Kinesiology. (Kinesiology addresses physiological, mechanical, and psychological mechanisms. Applications of kinesiology to human health include: biomechanics and orthopedics; strength and conditioning; sport psychology; methods of rehabilitation, such as physical and occupational therapy; and sport and exercise. Individuals who have earned degrees in kinesiology can work in research, the fitness industry, clinical settings, and in industrial environments.) Since Taylor was an ice skater for many years, this seemed really appropriate for her. Barbara would be so proud of her.

News about our KK family.

No news is hopefully good news. We are hoping Maurice is continuing to improve.

Ken Smith was at the KK dance the other night and looked good. He had not heard back on the test results yet but we are praying for good news. Keep the prayer and good thoughts coming, they will be appreciated.
