Attention Kuzzins: Your Board is initiating a "NODA" Policy – "No One Drives Alone". In order to encourage visitation and/or participation in Kuzzin events, we're asking all Kuzzins to offer a ride to those who wouldn't ordinarily attend such events. (Maybe, there should be another one – "No One Stays at Home" – too.) It's also a friendly thing to do. On the flip side, if you'd like a ride, please don't hesitate to ask someone in or near your area. The Kuzzins have a reputation of always being there.

Remembering Glenn Arden. In October the Kuzzins lost another friend. Glenn Arden and Kathy Arden danced with the Kuzzins for a number of years until Glenn's illness forced them to resign. What we know about Glenn are the facts – 76 years old, had a debilitating illness that took away everything but his fine mind. He was a high school cheerleader, photographer and yearbook editor. He graduated from the University of Texas with a Bachelor of Architecture degree, and he never lost his love of and skill for photography. Between them Glenn and Kathy had four children and eight grandchildren. Those of us who attended his memorial service at Lakeside Baptist Church saw evidence of his dedication to his

church and friends with the number of people attending. The facts don't tell us that Glenn loved camping, especially in Colorado, and did a lot of it with dear friends, Don and Mary Pattie, and that he enjoyed square dancing so much. You could always find him in a square or on the sidelines with the constant smile on his face and a story to tell.

It's always sad to lose a good friend, but we never lose memories of them.

#### **Cares and Concerns:**

- Jimmy Stewart has had a rough time of it lately with a staph infection and was hospitalized for several days. He's at home but still has bad days.
- Dan Roberts spent some time in the hospital, but is resting at home now.
- Joanne Patrick was diagnosed with breast cancer and is scheduled for surgery on November 1. We all pray for a speedy recovery (from Mike).
- Our hearts sympathize with Jimmy and Glenda Stewart on the passing of Jimmy's Brother in Indiana. The Stewarts attended the funeral in Indiana.

Let's remember these Kuzzins in your prayers.
