Bullwinkle's Corner

We're back! Thanks for giving us another run as being Presidents of the club. We think we have some of the best members of any club around. The members make the club and our members have stepped up their game to keep our club flourishing in spite of all the distractions. We have several new officers on the board and we are very thankful for the help from everybody. We are also grateful for all the people who continue to serve in appointed offices.

We are full of thanks for Jerry and Terri Johnson for being the leaders for the past three years! They have kept our club going thru some of the most trying times.

Martha and I also personally appreciate all the thoughts and prayers you'll have had for us as we have dealt with various health issues. It has given us both great peace and comfort to have so many friends. In addition, it is wonderful to know that they would and did help us at a moment's notice. It has been a learning experience for me personally. As many know I am helpless in a kitchen. I had to learn how to make toast and a PBJ. However, with my training I can wash dishes and do laundry.

We look forward to an exciting year and look forward to relearning how to dance.

Ernest and Martha Hernandez, Presidents

Please remember John Currie in your prayers – severe leg and foot pain
