Several Kuzzins attended the Rockwall Squares dance on July 26 & captured their banner. It was also visited by the Round-Up Committee to promote the 2013 Round-Up.

Seven Kissin Kuzzin couples spent a week in Red River, New Mexico again this year. They danced to

Toby Thomason & enjoyed the cool mountain air and some rain. Chris & Kimberly Brow hosted a cookout & games

at their beautiful mountain home & we all enjoyed watching the multitude of hummingbirds that hover over their deck with many feeders.

David & Nancy Worden just returned from a 36 day trip to London, Devon, Cornwall, Plymouth, Bodmin Moor, Clovelly & Tintagel, England, just to mention a few. They took a train under the British Channel to Paris where they enjoyed a small hotel near the Eiffel Tower. They even found the restaurant where they had eaten with Bill & Jeanne Dunn so very long ago. They took a guided tour to Poland, Lithuania, Latvia, & Estonia. Nancy's high point was visiting Highclere Castle, site of the filming of Downtown Abbey, her favorite TV show. Welcome home.
