REMEMBERING

We lost a dear friend, Carolyn Smith, on July 22, 2018. She and Ken have been an important part of the Kissin' Kuzzins family for many years. Carolyn always had such an infectious smile and positive attitude. Her creativity and infectious humor was the highlight of all our picnic entertainment. Even when she was in pain and in the midst of treatment, she always managed a smile and would say she was 'fine'. Her hugs would lift your spirits along with her presence and great sense of humor. She was kind and patient with everyone in a square and beyond. She attended lessons every Tuesday night for years until no longer able and was the best ambassador the Kuzzins had ever had.

Join us in praising God for sharing Carolyn with us and supporting Ken as he grieves for Carolyn.

Bullwinkle's Corner

I think all of our hearts are heavy with Ken with the death of Carolyn Smith. The endurance that she showed during her illness was remarkable. Whether you texted with her or talked with her at a dance (yes, they came to dances) she was always, doing OK and had her grin. I know there are many Kuzzins that were taken to visit other clubs by Ken & Carolyn. They had a knack for getting you on the floor and pulling you through the tip. Remember Ken during this difficult time of his life .

Coming and going. That is what our members are doing this August. Going on vacations and coming home from vacations—oh the many places people have gone and are going. Through it all our attendance has been good and our visitations have been attended. Thanks to those that make that special effort to go to our visits. Last week, we had the largest group of visitors at Rockwall Squares! That was very fun.

Jodie will be bringing the signup sheet for the fish fry which will be Sunday evening, September 16th. Please sign up and plan to attend. It is always a very fun time. Wayne is a great fish catcher and Jodie always has all under control. She is a remarkable lady to plan these events year after year!

We have many still ill and healing. Please continue your prayers on their behalf. It's great to be a Kissin' Kuzzin.

BACK BY POPULAR DEMAND. The Kissin' Kuzzins Dinner' Group is back and has a new name: the "ABC Supper Club".

Every month, on the fourth Sunday (flexible), we will gather at a restaurant whose name begins with a letter of the alphabet, starting with A. We hope you will join us, as your schedule permits. Something happens when people meet to eat— not only do we share food, we share our stories and, as the sign says, it's the best way to feel connected.

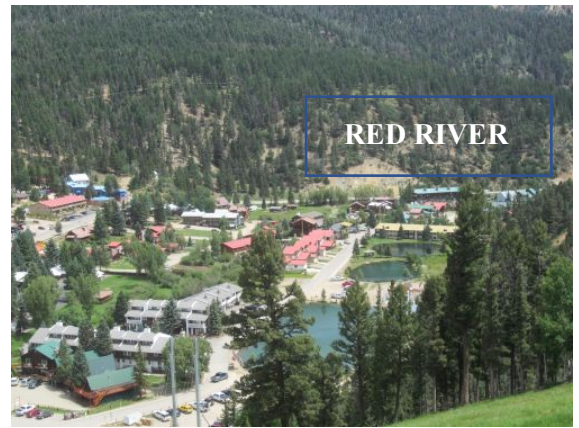

The first get-together will be September 23. We have an idea for an "A" restaurant, but we'll keep it a secret. Maybe you have an "A" restaurant that you like. Please send us your suggestions.

The September Newsletter will have the details.

Mike and Joanne Patrick

A WONDERFULLY COOL EXPERIENCE.

Mike and Joanne Patrick were the first to arrive for what's come to be an annual adventure (nine years) to the beautiful Sangre de Cristo Mountains in Red River, NM. We were greeted by KK summer residents Chris and Kim Brow and cool 70° weather. The first week was a busy, exciting and fun week dancing with Toby and Judy Thomason. We made new friends from the Swinging Stars in Wichita Falls, Camping Squares, Hi-Steppers from Weatherford, OK, and dancers from Triangle Squares, Stone Steppers, Cotton Pickin' Squares and dancers throughout the Southwest. Because of the 'New Dancer' instructions, we believe the word of how much fun square dancers have is spreading. Some even said they will take lessons when they return to their homes. Unfortunately, none live in our area.

Paul and Quida Bellows, Chris and Kim Brow, John and Shirley Currie, as well as Jesse and Carol Hooks joined us in dancing with Ray and Linda Savell. There were seven squares including dancers from Stone Steppers, Circle I and the area.

While Square Dancing brought many of us to Red River, the mountains keep drawing us back, not to mention the cool weather and all the fun activities - Jeep Riding, Hiking, White Water Rafting, Horseback Riding, Zip Lining, Taos, Sante Fe, beautiful scenic rides, historic churches. This year we will all attend the 'Buckaroo Ball' (after this Newsletter has been distributed).

Most of us will be here another two weeks to have even more fun. Then the Brow's, Hook's, Patrick's and the Johnson's will head to Durango. The Adventure Never Ends.

All Dancers with Ray Savell.
