## Bullwinkle's Corner

Here we are, the first of February 2019, WOW! Time does seem to past quickly. We are happy to welcome John and Jane Miller to the Kuzzins. They already have Kuzzin badges, so that is a conversation opener if you don't already know why!

Last Friday night, our new dancers, John & Kamie, led a pack of us to Swinging Stars and guess what? We captured their banner once again. Thanks to Robert, Mike, Joanne, Terri and Jerry who joined us in the capture. It was fun. Jerry & Debbie from our lessons also joined us!

We are in the midst of our extended lessons. These seem to be good for all. Not only is it floor time, it's a good practice listening to the caller's instructions! However, I'm thinking we might need to invest in some gloves that have L and R printed on them. That's supposed to be funny!

What is happening February 15<sup>th</sup>?? Our 46<sup>th</sup> Anniversary dance, "Love is in the Air" is what is happening. Please plan to come and plan to help. Signup sheets for food and times to help have been around. If you have not seen one or signed up yet, please do. It takes the entire club to pull a dance of this size off! Many thanks to Pat Dauphin for heading this up and to Terri Johnson for her aid to Pat.

There will be pictures of us on our wedding day at that dance. I am here to say that I was not 12 years old when I got married. You can ask Martha because she has seen my birth certificate even though she cannot read it. That is another story.

Our nominating committee will soon have a slate of officers to present. It will be coming out the first dance in March to be ready for our election at the second dance in March. This is in keeping with the by-laws of our club. We will be having a **very short special meeting of the club just for the purpose of voting**. Also, remember that if you are not going to be present for the election, you should send in your proxy vote. There will be more said about that later. But if this applies to you, please don't leave town without voting!

Ladies, plan to attend the Ladies Luncheon which is the second Friday of each month. Wyn EL Dobson keeps us informed of this event. It is always enjoyable. Plans are to go to Matt's Rancho Martinez, 5085 N. George Bush Freeway, Garland, TX 75040. Mexican food always seems to be a hit.

A hit once again was our ABC Supper Club. We had a great turnout last month. We look forward to our D restaurant...even if it's Denny's, the fellowship will be grand. Our pizza was great last month!

It's great to be a Kuzzin!.
