Happy New Year! If you received new athletic shoes for Christmas it might be best to keep them close by. The Kissin' Kuzzins are going to be busy and on the go! We are so thankful to have some new members join our club. Please welcome and encourage our new dancers and new members who have come our way; Jorge Decker and Gloria David* came to us from the Rockwall Squares. We welcome them and look forward to getting to know them better. We have 11 from our lessons that have moved from student to members!! This group includes: Angie Espares, Cole Ramires, Brenda Gates, Sarah Hasley, Patricia & Randy Majors, John & Kamie Porro, Vickie Wohlander, and Leon & Helena Isbell. Hopefully, they all will love our club like we do...welcome to all. Still hope to add other students to our roll.

New Dancer Dance, January 4. We look forward to having our new dancers on the floor for the all the tips! Should be a fun night! Hope to have some visitors from other clubs who will bring their new dancers.

Extended Lessons begin January 8 begin with Wayne Baldwin. We look forward to this time of helping new dancers get even better! We have a request for these lessons from our experienced teacher. "We need angels, but we would like to have silent angels during the lesson time. This means angels may guide gently push or pull, but not talk, as in give instruction. It is hoped that this will help our new dancers learn to listen to the caller for instruction. If we are telling them what to do or talking to them, chances are they will miss the next call. Please work with the group on this and please do not take offense at being asked to keep quiet! If someone in your square forgets, just make eye contact and kindly nod...Thanks for your help with this."

Jump to Saturday, January 20, and the ABC Supper Club will pick up again. This monthly event is proving to be a hit! Be sure to wear your black suits (kidding) as we are going to Campisi's on Northwest Highway! If you have not come before, please join us. Joanne always picks winning places!

The next Sunday, January 27th, the NTCA Dancer Appreciation dance will be held at Swingtime. There will be more to come on this later.

Our nominating committee will be getting to work within the next few weeks. We have some who are seriously considering taking an office. If you are interested in an elected office or appointed position please contact us.

On a lighter note, I don't know if I was naughty or nice. Santa brought me a new Lionel train. I have already had to go to the hobby store to buy more track and a new car. I have to accessorize. It is almost as good as having a Dremel tool.

Please continue prayers for our country and for our members. We have members having cancer treatments and others facing surgery in the next weeks. We have some in rehab from illness that they are thankfully recovering from!

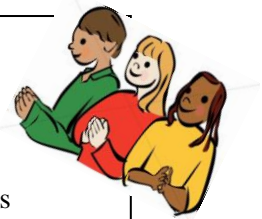

We are grateful for this club and look forward to wonderful dancing in 2019.

KK FOOD CORNER IS BACK

Something happens when people meet to eat; we not only share food, we share our stories and, as the sign says, it's the" best way to feel connected".

- (1) ***The ABC Supper Club*** was formed in September 2018. On the last weekend of every month, or thereabouts, the Kuzzins will gather at a restaurant whose name begins with a letter of the alphabet. We have met twice – **A**migo's and **B**avarian Grill. We begin the new year with our "**C**" choice - **C**ampisi's (original Mockingbird location, -5610 Mockingbird Lane, Dallas). We hope all Kuzzins will join us for their famous pizza (or anything Italian).

Sunday, January 20, 6:00 pm

Make your reservations with Joanne, joanne@thepatricks.name or 214-796-7980

- (2) ***LADIES ONLY! Dancing Queens Ladies Luncheon.*** For several years, the KK Ladies (the 'Dancing Queens' – just because we wanted to have a catchy name) have been meeting on the second Friday of each month to celebrate birthdays at a local restaurant picked by the 'birthday girls'. We meet even if there aren't any birthdays. You will receive a call from Wyn El Dodson with place and time. If you would rather not get called, please let Wyn El know.

ARE YOU READY FOR SOME RHUMBA AND CHA CHA?

JL and Linda are offering Beginning Rhumba and Cha Cha classes starting January 12 through the beginning of March from 11:15 a.m. to 1:15 p.m. on Saturdays at Carpenter Recreation Center, 6701 Coit Road, Plano. Sign up is open now through the Parks and Rec Online Registration Catalog, or you can call Carpenter Rec Center at 972-208-8087 to register. The Beginning Rhumba and Cha Cha class is #15732 or just search for Pelton as the instructor.

What is so great about Rhumba and Cha Cha is that you get two rhythms for the price of one. Rhumba and Cha Cha are very related rhythms with most figures appearing in both rhythms. After the beginning class ends there will be an Intermediate Rhumba and Cha Cha class that starts March 23. Same time and same place. By the time you finish both, you will be able to dance any Rhumba and Cha cued at any square dance.

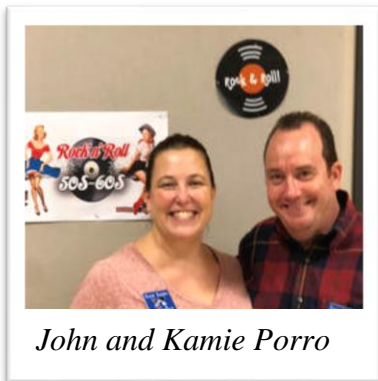

JL and Linda say they really like teaching the Latin classes. They will tell you it's the very best "first" beginning class to take if you have never had round dance lessons because it has a loose 'hold'. Of course, if you have already had a class or two, that experience will help you quickly pick up this rhythm and the classes are always a lot of fun.
