Bullwinkle's Corner...

Here we are in the middle of 100-degree days! Great if you are into frying eggs on your sidewalk! Thankful for working air conditioning. Thankful that our dance home is one of the coolest halls around.

Hope that you are in the mood to dance. There are many opportunities to hit the floor in the next month. The Pre-Round-Up Dances are all over the calendar. This is especially good if you are into getting friendship cards filled out because they are two signature dances. We are going to be going to several starting now and going until Round-Up in October.

Some of our group have been to the National Square Dance Convention in Kansas City and will be home in the next few days. Hopefully, they have had a wonderful time dancing and visiting.

The end of the month will see several of our dancing family head to Red River for their annual trip to New Mexico. I know they always have a wonderful time in the cooler weather. They dance, shop and eat! All fun events. We wish them safe travels.

Others are going and coming from vacations and family events. This is great, but also a challenge in getting a group together for our club visits! Please let us know if your able to attend and please think about going with the club to visit. When we have a good group traveling to a dance it always makes it more fun! Then we also might get to bring banners home!

In the hope of getting people to come to our lessons we have a couple of demo times coming this summer. One is on July 4 at Firewheel Mall. It's by the fountain. Donna Bolanz has arranged for this is to happen and Mary Long will have details in Donna's absence. If you are going to be in town, it would be great to attend and help let the community know about our lessons that start August 21. The other demo, also at Firewheel Mall, will be in August. We really want these lessons to be well attended and have new members join our club and enjoy the fun we have.

Please continue to remember our ill and recovering in your prayers.
