## Bullwinkle's Corner

This is our last time to write our Bullwinkle column because we are going out as Presidents of Kissin Kuzzins. It has been so much fun to represent the club in this way and we thank you for the privilege of holding this office. Now we are looking forward to being contented members!

We hope that you will miss our stand- up comedy routine when I tried to make announcements. Hopefully, the new president(s) will be able to talk without stuttering like me. But he/she may not have my drawl.

But before we sign off, there are many activities for March. We have three anniversary dances to attend. They are:

Circle I, Stone Steppers and Swinging Stars. There is also the USO dance. Tim Tyl will be the guest caller for both Circle I and Stone Steppers, Paul Cote will be the special caller for Swinging Stars. He was our guest caller last year. He has a great big voice! Please respond to Carol's email about attendance at these events. However, if you find you can go at the last minute, just get in the car and come!

Remember that a special meeting of the club has been called for the purpose of voting after our March 15<sup>th</sup> dance. Please remember if you will not be at that dance/meeting to turn your vote in early. We will start accepting these written votes March 1<sup>st</sup>. after the slate of officers is announced.

Keep on dancing, in the round or in a square!
