Bullwinkle's Corner

November has arrived, and with it the approach of the holiday season. Thanksgiving is around the corner! Turkey, pie, dressing, cake, cranberry sauce, cookies, green bean casserole and candy! Many yummy things to eat! Put on your running shoes because the next couple of months are probably going to keep you busy. Many fun times with family and friends are to be enjoyed.

Looking back to Roundup, we had a good time with those who attended. It was good to see our club be involved in the event. It was great to have John and Shirley as the leaders of NORTEX. We had been asked to head up the square filler group. A very big thank you to Tom and Nita, Jerry and Terri, and Mike and Joanne for helping us with that task. I think we were probably the best square fillers ever!

Our Fun Dance was a big hit. It was a special treat to have Roger and Cathy attend the dance they created - our 2nd annual Fun Dance. Our students enjoyed the evening and once more Terri handled the food with excellence.

If you have not come to the ABC Super Club, we would really encourage you to join in the fun. Joanne has done an excellent job of taking us to fun places that many had not gone before. Bavarian Grill October 27th was like a night in Germany! Excellent food, fellowship and fun laughs! Speaking of fun, ladies, come to our Dancing Queens monthly lunch. Wyn EL has us organized and celebrating monthly.

If you have or know of someone with Square Dance clothes to give away or sale, please contact Cindy Ward. This is always a popular event with our new students.

Please continue to remember our ill and recovering in your prayers.

Nita Ulaszek was one of the 'stars' at the recent retreat of the First United Methodist Church (Richardson) Senior Adults at Lake Texoma.. She played the part of Enigma, the medium-in-training in the WHO DONE IT Mystery, "Death's No Fool".
SHE DONE IT!

Unlike Memorial Day, Veterans Day pays tribute to all American veterans—living or dead—but especially gives thanks to living veterans who served their country honorably during war or peacetime

True heroism is remarkably sober, very undramatic. It is not the urge to surpass all others at whatever cost, but the urge to serve others at whatever cost. ~Arthur Ashe

"The willingness with which our young people are likely to serve in any war, no matter how justified, shall be directly proportional to how they perceive the veterans of earlier wars were treated and appreciated by their nation." ~George Washington

THANKSGIVING – “*I do therefore invite my fellow citizens in every part of the United States, and also those who are at sea and those who are sojourning in foreign lands, to set apart and observe the last Thursday of November next, as a day of Thanksgiving and Praise to our beneficent Father who dwelleth in the Heavens. And I recommend to them that while offering up the ascriptions justly due to Him for such singular deliverances...and fervently implore the interposition of the Almighty Hand to heal the wounds of the nation and to restore it as soon as may be consistent with the Divine purposes to the full enjoyment of peace, harmony, tranquility and Union.*
