### A NOTE FROM OUR NEW PRESIDENTS

Thank you for electing us to this office. We are excited about serving and hope we can be as effective as Clyde and Deegee.

It was due to their encouragement that our visitations have been so successful. They also helped increase our visitor attendance by promoting themed dances which were advertised in the Promenade. We want to thank them for their enthusiasm and dedication and we plan to carry on in this same tradition.

### THANK YOU FROM OUR OUTGOING PRESIDENTS

*Dear Kuzzins,*

*Clyde and I just want to say thank you all first for making us feel so very welcome as new members. It felt like we had been part of the Kuzzins for years. Then to be entrusted with the offices of Vice-President then President. What a big responsibility and HONOR!*

*Our warmest thanks to each of our officers, both elected and appointed. Being new to the club and not knowing all the inside workings, you all helped make our job so much easier. Any time we had questions, you were there to help out.*

*A special thanks to each and every member. Do you all know how special you are? In our Lives, VERY SPECIAL!*

*And what a great caller and cuer team we have. Wayne and Jodie & JL and Linda have been tremendous in the growth and excitement of the club. What a great combination of enthusiasm, music, and happiness.*

*Thanks again to all of you. We are so lucky to have had the opportunity to be officers for such a wonderful club. We look forward to a long, happy relationship with our Kuzzins.*

*Love you all and happy dancing.*

*Clyde & Deegee Bailey*

You can see the segment on <http://www.wfaa.com/good-morning-texas/square-dancing-that-isnt-so-square-225851791.html>.

The Stewarts, Hestwoods, Patricks, & Curries participated.
