## Bullwinkle's Corner

WOW, this summer is zooming past quickly. Our lessons have begun, and it seems we are going to have some great new dancers!! Angels have started out in great attendance. Please keep that up. We are trying to have an angel per student. If you're a relatively new dancer, get out on that floor. In the words of our Wayne Baldwin, "Repetition is the teacher"! Wayne Shoemaker is going a great job as our instructor, we are thankful he was able to teach for us.

With the preround-up dances there have been many double signature dances to attend. It is a great opportunity for those collecting dangles. We have our own round-up dance on September 7. Terri Johnson has asked us all to bring food according to our last name. If you didn't get that information, please contact Terri! Be present yourself and hopefully we will have many guests to greet.

September 16 is the Great Baldwin Fish Fry! Wayne is quite the fish catcher and fryer. It is always a fun time and we are thankful for the invite.

Martha and I enjoyed our vacation in Europe with the Bolanz'es and Johnson's. We even came back still speaking to each other after being together in a small room(s) for almost 2!!! Weeks. There is still hope for our marriage - 44 years and counting. We appreciate Mary and Larry for filling in for us while we were gone.

It's great to have many safely home from trips! It's marvelous to get away, but it is wonderful to get home! We have had people so many places this summer and some have adventures still to come. Your presence is missed when you are not there.

Please continue prayers for our sick, our healing, our country and leaders, and those that are near and dear to us.

## Come Join the Fun! Beginning Waltz Lessons - Starts Saturday, September 8.

Linda and JL will be offering Beginning WALTZ classes starting Saturday, September 8. Everyone tells us they want to learn Waltz. This class starts from the very beginning even if you have had no instruction in any rhythm. Obviously, previous lessons in round dancing makes it a bit easier. However, even if you have never taken a round dance class before, you can start with Waltz.

Here's your chance to get started round dancing. The class is from 11:15 am to 1:15 pm on Saturdays through the fall and will finish before Thanksgiving. Classes are at Carpenter Recreation Center in the multi-purpose room. Signup is already open with Plano Parks and Recreation. You can sign up either online or you can call the Carpenter Rec Center at 972-208-8087. The class number is 11243 and is listed online as "Beginning Waltz".

Call me if you'd like more information.
