Bullwinkle's Korner

Welcome to March...we have a busy dance month ahead...our anniversary at the end of the month!!! Come home with the Kuzzins...we hope to a very good turnout for this event. Ladies, we will plan to wear our club skirts. I know there are several without those and I don't know if there is enough time to get one from the company that made them, but I doubt it. They are colorful, so if you have colorful go for that. Terri will have food lists at both of our dances this month prior to the 30th. Please sign up for a main dish and then either a veg/salad or a dessert. Please make main dishes that will feed at least 10-12 people. We want to have plenty of our amazing food on hand. It is going to be a great time, not to miss!!

New Club Calendar

Where we going to visit? We have a new club calendar using Google Calendar. It shows our club dances and visitations. It also shows birthdays and anniversaries (without the year) of all club members (both active and emeritus). The link can be found on the menu bar next to HOME on the left side. From the calendar, click on any entry to get more details.

If possible, please try to make our clubs visits. It is great when we can show up in force and nap a banner from another club. We were able to get our banner back from the Swinging Stars last Friday night, but unable to get theirs.

This Friday night, March 2nd, the proposed officers for the next year will be posted along with a slight change in our bylaws. Unfortunately, you will be stuck with us as your presidents But there is hope for the future.

My knee is getting much better. Thank you for your concern. Now Martha may have a broken toe. She did NOT get it from kicking me even though I sometimes deserve it.

As always, please keep our sick, injured and grieved in your prayers.
