[Help us help you! Love to see pictures online, in the Newsletter- and sometimes in e-mails.](#)

As Historians, Joanne and I are accumulating as many picture of KK functions as we can. However, there are times when we won't be available and it's during these times that we'd like other photographers to lend a hand, taking solo shots and group shots. We want to 'show you off' to the rest of the members who weren't able to attend. The Galloway's, Currie's and Pediman's have been taking pictures and mailing them to us and we're very appreciative. All others, please send your photos to me - e-mail at [webmaster@kissinkuzzins.org](mailto:webmaster@kissinkuzzins.org) or [mike@ThePatricks.name](mailto:mike@ThePatricks.name). (The mail goes to the same place.) Thanks for your help.

March 17<sup>th</sup> ` St. Patrick's Day:

**Shamrock** - The shamrock is one of Ireland's most famous symbols. It is said that Saint Patrick used the shamrock, or seamorg, and it's 3 leaves to explain the concept of the Trinity - the Father, Son, and the Holy Spirit. The shamrock is also associated with good luck! Many people wear shamrocks on St. Patrick's Day.

**Leprechaun** - The legendary leprechaun is an elf-like creature. In most representations he looks like a small, old man. Leprechauns like to spend their time alone making shoes. They live in the woods and hide from everyone, but maybe this has something to do with their mysterious pots of gold! The leprechauns are said to keep their pots of gold at the end of the rainbow. Some stories say if a leprechaun likes you, he will share his gold. Others stories say you must catch a leprechaun, and then he will take you to his pot of gold.

## President's Ponderings

How time flies! The shortest month is over (even though it was a day longer than most years) and on this Leap Day, we look back on our year as your presidents, and the memories. We have been blessed with a wonderful Board, elected and appointed. We do appreciate their sincere concern for the club and their commitment to make it better and stronger. We also appreciate your patience with us as we progressed through the year. We recall lows and highs in the year. Who can forget the single file Grand March or cancelled visitations? But we are now seeing large turnouts for our dances and visitations. The membership has grown due to a set of lessons with remarkable numbers of students. The encouraging thing about that is that our newest members have already identified others who are interested in square and round dancing. We thank the Galloways and Hoffmans for their help in developing our nominees for the coming year. We can only hope that we have given the new Board a good platform to continue to grow in numbers and enthusiasm for dancing. Finally, we thank all the Kuzzins for your support and encouragement.

Glenda and Howard Hess

A special invitation to all Kuzzin's ~ Make sure you attend the Quarterly Meeting, after the dance, on March 18<sup>th</sup>. We'll be electing our new officers, whose term will last a year. Your vote counts!

## And the Nominees are:

**President - Ernest and Martha Hernandez**  
**Vice President - John and Shirley Currie**  
**Treasurer - Louis and Mary Wriedt**  
**Secretary - Mike and Pat Pediman**  
**KK Koordinator - Jerry and Alice Galloway**

May March 27<sup>th</sup> be the beginning of a new year that will bring us all closer to our Lord and Savior, Jesus Christ. Celebrate the Easter Season with family and friends; remember the reason for this season ~ He is Risen!

Carpooling made the trip more enjoyable.
