The Merry Month of May has once again rolled around. Are we the only ones who think the months come much faster these days?? We have some fun dances planned for May. Starting with May 5, we will have our very own Cinco de Mayo Celebration Dance. Our second dance of the month will be special as we honor our Armed Forces with our Red, White & Blue Dance. Hopefully, some members from our fellow clubs will visit us at these dances.

Mary Long and Terri Johnson, along with their very helpful husbands have our Honey Pot, Host/Hostess and Refreshments assignments assigned. Please remember if you trade with someone or find at the last minutes you can't fill your post, please let these ladies know. It's a little thing, but it really helps them out.

You have been asking about our next set of lessons and they are now planned. Roger & Cathy Lachance along with their committee have them scheduled to begin August 22, 2017. What does that mean to each member of our club???

Get busy and talk the lessons up everywhere you go!! I even asked the teller in the drive thru at the bank last week! She was not interested, but she might have been! It's no secret; to keep our club going we must have new students and members. We have a great club full of friendly fun people....spread the word!

John and Shirley Currie will be the next President of NORTEX! We need to start planning to attend their Installation Dance which will be June 4th at the Swingtime Center. We will have duties at the dance, but have not been told what they are at this point. We should wear our club skirts to this dance!!! It's not every year the President of NORTEX is in your club. Congratulations to them!!

We will be planning our visits at our next board meeting and will let you know about them soon after. Please try to make at least one if not two. If you see a dance that you think would be a good visit for our club, please let a board member know. As of now, only two clubs have our banners: Trail Blazers and Rebel Rousers. We will check them as possible raids! Please continue to pray for ill members. We do miss them all.

Look forward to dancing and visiting with you during this Merry Month of May. !

It's That Time of Year

Lessons Planning Is Done and Now We Need You To Help Find Students

The following is a temporary flyer to give you what you need to know about the dates, location, and instructor. A new flyer is going to be generated and printed so we will be able to advertise our lessons. We also will be providing an incentive for those of you who identify the most students that enroll, and take at least four lessons past the first two free lessons. Details will be forthcoming. The full set of Basic and Mainstream calls will be taught. The extra week will be used to host a dance at week 10, formatted as a regular club dance with a grand march, to give the students a chance to participate in a club activity.
