November, the Holiday Season is coming up fast! Round Up is over for another year and the leftover Halloween candy will now become fall treats. (if there is any left) The Kissin' Kuzzins will have a busy couple of month. There will be parties, dances and adventure to keep us all extra busy. The Thanksgiving Holiday gives us all a special pause to remember our blessings that we have presently as well as the ones of the past. We pray for future blessing for our families, loved ones, and country in the future.

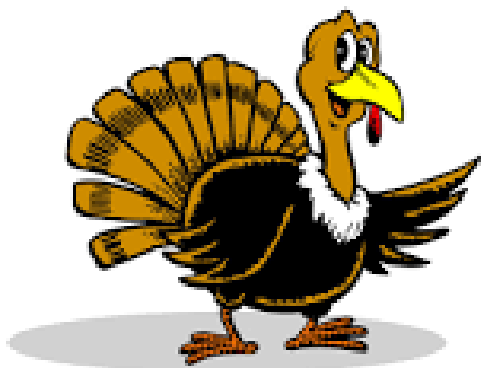

On our first dance of the month November 4th we will meet with the Texas Reelers for a Friendship Dance in Richardson at their home venue. We are looking forward to that time as we have never been involved with having one. I mean Ernie and I have never been involved in one. We hope that many can attend as we will wear our new skirts to the dance. However my name is Hernandez and not MacDougal so you will not see Ernest in one. However I have been told that 40 years ago I had nice legs. Then our second dance will be a Thankfulness Dance. Once again, we are a blessed people.

We continue to have sick and injured among our club. We pray The Lord's care and cure on them. We are so glad that some have begun to venture out to the dances even if they can't dance yet. It's just good to see them.

You will begin receiving information about the Christmas Party and New Year's Eve Party from Kimberly. She does such an amazing job of planning fun Holiday Parties for us. Please RSVP for those events as they come up.

We are so thankful for getting to know each and every one of you. We love this club and it does give me a life outside of work.
