John and Shirley would like to thank all of our Kissin' Kuzzins friends for the nice cards, calls, and emails after the death of John's dad on October 16. You are our family also.

Pictured is John's Dad calling a square dance in 1955, with a live band in Ardmore, Oklahoma.

A memory John treasures.

Holiday Activities – Mark Your Calendar! – Save the dates

November 11th We Celebrate Veteran's Day – Fly our Flag.

Veterans Day is an official United States federal holiday that is observed annually on November 11, honoring people who have served in the U.S. Armed Forces, also known as veterans. It coincides with other holidays including Armistice Day and Remembrance Day, which are celebrated in other parts of the world and also mark the anniversary of the end of World War I. The United States also originally observed Armistice Day; it then evolved into the current Veterans Day holiday in 1954.

President's Ponderings

Is it just us or is the year flying by too fast? The Fall weather brought much needed coolness and rain. Roundup! Thanksgiving!! Black Friday!!! Before you know it, our Anniversary Dance will be history!!!! It is a good time to pause and reflect on the Kuzzins 2015. We have made some progress toward our goal of increasing visitations but we still have a long way to go. The Kuzzins have had their share of health issues and while some have made a strong recovery, there are still many prayer requests. Our lessons have exceeded our expectations and the students are definitely enjoying the challenge. Ray Savell is also enjoying the challenge of teaching with six squares on the floor. We look forward to the opportunity of having some new members from this class. Finally, we just want to thank the current Board for all their fine work and commitment to the Kuzzins over the past 7 months and we are looking forward to the rest of our term with cautious optimism. We remind you to give your thoughtful consideration to the proposed amendment to our Bylaws and to be with us at the special meeting scheduled for November 20.

Glenda and Howard Hess

All Kuzzins' - Make sure you participate in the special meeting being called
November 20th - Right after regular dance.

An answer to 'Why go to church?'

A Church goer wrote a letter to the editor of a newspaper and complained that it made no sense to go to church every Sunday. 'I've gone for 30 years now,' he wrote, 'and in that time I have heard something like 3,000 sermons, but for the life of me, I can't remember a single one of them. So, I think I'm wasting my time and the pastors are wasting theirs by giving sermons at all.'

This started a real controversy in the 'Letters to the Editor' column.

Much to the delight of the editor, it went on for weeks until someone wrote this clincher:

'I've been married for 30 years (no actually 68 years) now. In that time my wife has cooked some 32,000 meals (more like 72,000). But, for the life of me, I cannot recall the entire menu for a single one of those meals. But I do know this: They all nourished me and gave me the strength I needed to do my work. If my wife had not given me these meals, I would be physically dead today. Likewise, if I had not gone to church for nourishment, I would be spiritually dead today!' When you are DOWN to nothing, God is UP to something! Faith sees the invisible, believes the incredible and receives the impossible! Thank God for our physical and our spiritual nourishment!

Ray Savell, getting all the steps coordinated!

Lessons are going great!!

Round-Up 2015 – Sail Away:

Students at Round-up

Kuzzins' at Round-up

Hope to have some pictures of visitations during the month of November.

Holiday season is among us and it does get more difficult to visit other clubs. Let's make a good effort to get out and dance at least to one other club. Our presidents will be communicating with us as to which dances we will visit.

May you be blessed with family and/or friends as you gather round for a Thanksgiving dinner.

Count your blessings, give thanks to the Lord for all you have, the friends, the love, and for the freedom to celebrate. God Bless Us All and keep us safe.
