Past Presidents farewell:

As our term of office as President comes to a close, we would like to thank all of the club members for your support and encouragement. We especially want to thank the fantastic group of board members we served with, both elected and appointed. You are the best! You made business meetings something to look forward to. What a concept!

It has been an honor to represent our club as President and again, we thank you.

We look forward to dancing with you soon.

Ken and Betty Hoffman

From the President's pen:

Mike and I would like to thank all the Kissin' Kuzzins for voting us in as, first the VP, and now the Presidents of such a wonderful Square and Round Dance Club. We feel honored to be able to represent this club at NOTEX and to be a part of this club. We are working with a great bunch of dancers on the Board. Our appointed committee members have taken up their duties and they are off and running.

Back in 1996, we took our first lessons. We have been in and out of the club due to illnesses and such; taking lessons each time we returned. Great friendships have been made with the members of this club. What fun we have had with the callers we have met and the special relationship we had with Nelson. Pink

Cadillac will always have a soft spot in my heart.

Wayne Baldwin is a great caller for us Kuzzins. He has a great sense of humor and a great way to call dances. His wife Jodie is always at his side. They have worked very hard at getting our dance lessons up and running. They also throw a great fish fry picnic.

How can I write about this club without mentioning JL Pelton and his lovely wife, Linda. JL can always beat us to the dances. He comes early to start early rounds at 7:00. Try as we may, we haven't beaten him to a dance yet! However, we will keep trying. JL is easy going and a wonderful cuer for our club.

The Kuzzins have seen us through some tough times. They have kept us involved and going, when all we wanted to say is "stop the bus, we want to get off." Thanks Kuzzins for being there for us.

We look forward to a fun filled next 6 months. Be there with us!

Regards, Mike and Pat Pediman

News about our KK family.

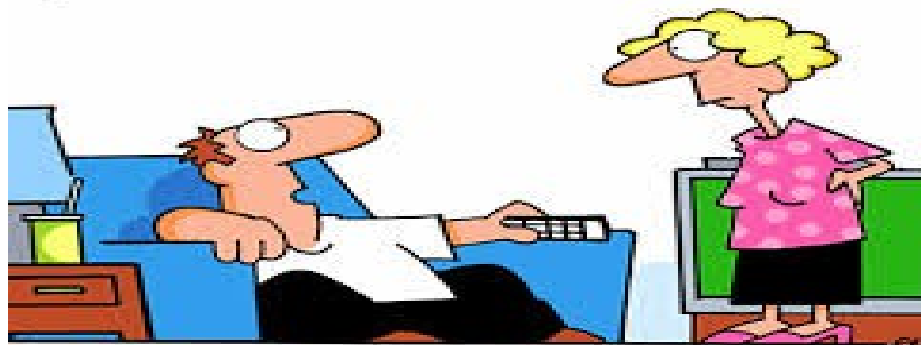

Doris fell on some uneven pavement while working at a Garage Sale. She broke her hip and had surgery. The doctor inserted a rod and all went well. She is being move to rehab at Health South Rehab in Plano. Don't know how long she will be there, but will keep everyone updated.
