Some things to Ponder:

- If someone with multiple personalities threatens to kill himself, is it considered a hostage situation?
- Would a fly without wings be called a walk?
- If a turtle doesn't have a shell, is he homeless or naked?
- Can vegetarians eat animal crackers?
- If one synchronized swimmer drowns, do the rest drown too?
- If you ate both pasta and antipasto, would you still be hungry?

Always remember: Square Dancing is friendship set to Music

Who can believe its October? It came so quickly this year or it seems that way to me. Our Fall Fest Double Deal Dance was a success!! We had 101 visitors with 47 Kuzzins in attendance, a grand total of 148! Wayne and JL kept the dance floor busy and Quida and crew kept the food brought by our group flowing. It was simply put, a very good dance.

Lessons are going well. Our students seem to be having a good time while learning to square dance. John and Shirley have a sign up sheet for nights that you are willing to angel, but feel free to sign up for every week! Ray would like each student to be paired with a Kuzzin. We were able to do that last week. It really seems to help the learning process. Also important, you get to know the students and they get to know the Kuzzins. This helps the comfort level when they are able to come to dances and walk in knowing people. Our members have been providing excellent snacks. Jerry Galloway's cookies were excellent last week! In our group of students, former active members, Bill and Marilyn Fowler have returned after an accident sidelined. We are so thankful to have Marilyn dancing once more.

Round Up is just around the corner. Be sure to get signed up for that big event. You can save a little cash if done by the middle of October. I sent out an email concerning this, if you missed it, just go to the NORTEX website. It would be worth going to see those brave guys in their lederhosen again!! The money from our raffle ticket sales has been turned in. We were able to make \$300 for the treasury from the sale of our 600 tickets. Ernie and I will not be attending this year; we will be in College Station with friends from his freshman outfit. Yes, after 42 years, they still laugh and rib each other like they were 18. It is always fun for us, but we hate to miss Round Up because it is also always a fun time.

The great majority of the club was able to attend the FISH FRY, so you know what a fun time we had. Wayne had lots and lots of fish and Jodie had it set up like a banquet. It is so very kind of them to host us at their beautiful place. We appreciate them and all they do for our club.

We continue to have members who are ill or injured and unable to attend our dances. Please remember them in prayer that they soon may be squaring up with us.

It's grand to be a Kuzzin!
