HANCOCK, JOHN FIELD born January 28, 1927 in Tulsa, Oklahoma and passed away peacefully with his daughters nearby at home on August 6, 2014 John never lost his pride of being born an "Okie." When asked how he was doing, he always chose from three favorite responses: "Just barely makin' it" or "Able to sit up and take nourishment" and "Fine, for an old guy." He was well know for his devotion to the love of his life Judy, and gave her credit for everything that went right. John spent the last seven years longing to be with Judy again. One cannot help but smile when they know John & Judy are now reunited heaven. We're sure St. Peter had to put on some square dance music so they could once again Promenade through the gates of Heaven with Judy on his arm. "A Southern Gentleman" is the one true description of John Hancock. John was preceded in death by the love of his life, Judy (Julia) Hancock, as well as his loving daughter, Sharon Nystrom and son-in-law, Mark Nystrom. He is survived by his two daughters, Terri Seidl and her husband, Larry Seidl, and their son, Duncan; Linda Seloff and her husband, Steve Seloff and their two children, Sam and Taylor, as well as two granddaughters, Elise' Nystrom and Erica Nystrom. John and Judy were longtime members of First United Methodist Church of Richardson and Kissin Kuzzins Square Dance Club. We are all blessed by the valuable friendships throughout the years and consider them all extended family.

MCCONNELL, MARY VIRGINIA WHITE KELLY born on September 27, 1926 in Celeste, Texas to Rev. Harvey Lee White and Mary Lee White and passed away on Sunday, August 17, 2014 in Richardson. She graduated from Sherman High School in 1944 and East Texas State University. She was a member of First United Methodist Church of Richardson. She was preceded in death by her first husband, James D. Kelly in 1988 and her second husband, Jones McConnell in 2009. She is survived by her children, Annette Kelly Prince, James D. Kelly Jr. and Robert D. Kelly; four grandchildren and five great grandchildren. She was a counselor at Garland High School for 20 years. She was a long time member of Kissin' Kuzzins Square Dance Club. Visitation will be held from 6:00 to 8:00 PM Thursday, Aug. 21, 2014 at Restland Funeral Home. Services are scheduled for Friday, August 22, 2014 at 11:00 AM Restland Memorial Chapel. Memorial contributions may be made to Garland Retired Teachers Scholarship Fund or the Scholarship Fund for Baylor Auxiliary.

Funeral services for Michael Jay Miller, 59, of Dallas, formerly of Wills Point are scheduled for 2:00 p.m. Saturday, August 23, 2014, at the First Baptist Church in Wills Point with Rev. Jerry Groom and Tim Willett officiating. Interment will follow at White Rose Cemetery in Wills Point under the direction of Allan Fuller Funeral Home in Wills Point.

He passed away Saturday evening, August 16, 2014, at his residence in Dallas.

Jay was born September 25, 1954, in Wills Point, Texas, the son of Kelles Alton Miller and Wilma Elizabeth Hargrove Miller. He was raised in Wills Point and at the age of ten he was baptized into Christ at the First Baptist Church in Wills Point. While in school, Jay participated in all sports and joined many organizations. In 1973, he graduated from Wills Point High School and later graduated from Tyler Junior College, where he received an Associate Degree of Applied Science and was a member of Delta Upsilon International Fraternity. He served as Chapter Relations and Pledge Master. After college, he went into business with his father, Kelles, in Wills Point doing plumbing, custom home building and building swimming pools. While living in Wills Point, Jay was a member of the Wills Point City Council from 1980 – 1982, a member of the Jaycees and coached little league baseball. After a downturn in the economy, he began working for Dallas Plumbing Company from 1985 – 1997 as a supervisor. In 2001, Jay opened Nortex Testing Co. a leak detection business in Dallas and he continued till February 2012 when he sold the business because of his failing health. In his early years, he enjoyed hunting, fishing and boating. Jay loved the Lord and his family very much. He looked forward to spending time with his family, kids, gardening, building things around the house, working with wood, square and round dancing and square dance calling. In 2012, he took up oil painting. Jay was currently a member of Lakeside Baptist Church in Dallas.

Jay's parents, Kelles and Elizabeth, took square dance lessons in 1971 with the Stone Steppers of Dallas with Bailey Campbell teaching. His parents and other couples from Wills Point would practice on the Millers back porch and they needed another couple. So Jay and his sister learned by default. Jay attended his first dance with no official lessons at the East Dallas Christian Church being called by the legendary Joe Lewis using his accordion. Needless to say, he was not a good dancer. Then in the fall of 1972, two car loads of friends from his high school class drove once a week to Dallas to take lessons. His father became an accomplished square dance caller. His sister, Suzanne and husband, Buck and his sister, Tammy also square danced. Jay began calling in 1973 and occasionally called during college. His first club was in 1975, the Buckles and Bandanas at Jesuit High School, then he started a club in Canton called the Free State Steppers and later called for the Spares and Squares, a club that was a forerunner of Plus Dancing in 1978. In 1980, he quit in order to raise his family. On July 11, 1982, he married Martie Brandon in Wills Point. In 1991, she agreed to square dance lessons with the Texas Reelers with Dave Sellers as caller and by 1993, Jay was calling again. He helped form the current Cotton Pickin Squares of Greenville and called for the Stone Steppers for twelve years. He also called for the Steeple Steppers, Levis and Lace and Lone Star Solos. He called at National, State Associational and weekend festivals. He organized a very successful weekend in Jefferson for ten years, hosting one hundred twenty couples. He was on staff at Fun Valley, English Mountain and on two cruises. Jay's greatest highlight of calling was being asked to be on staff with Gary Shoemake, Ken Bower and Jerry Haag. Jay and Martie enjoyed most of all, their square dancing. Learning basics from Marty Johnson and Paul Goodson, then intermediate to level 6 with Christine Hixson and dancing with the Rambling Rounds for years. The things Jay enjoyed most about calling was teaching and seeing the dancers having a good time. He knew that they had a good time if after the song was over, you could hear the people chattering amongst themselves, otherwise the caller didn't do his job. Jay was a member of the American Callers Association, Texas State Callers Association and the North Texas Callers Association beginning in 1974, serving on many committees as President, Secretary or Historian. Jay's voice began changing in July 2010 and he had to quit calling in October 2011. Jay will missed greatly for all his accomplishments.
